PROCEEDINGS OF THE 1951 ANNUAL MEETING

The Twentieth Annual Meeting of the Neuse Baptist Association was held at the Davis Grove Baptist Church on Tuesday night and Wednesday, November 6-7.

Moderator H. Frederick Jones and Vice-Moderator Howard G. Dawkins could not be present and Rev. E. C. Wilkie acted as Moderator pro-tem. Rev. B. L. Davis, pastor of the host church, welcomed the group and brought the opening devotion. A roll call of the churches was taken with 150 people representing 13 churches. The program was presented and adopted as the official order of business for the meeting. The committees on time, place, and preacher; resolutions; and nominations were appointed.

Mrs. Fred Harrell, Associational W. M. U. Superintendent, brought an interesting report. She explained the W. M. U. organizations, offerings, and seasons of prayer. She reported on the activities consisting of leadership meeting, young peoples' rally ,and junior camp, and pointed out the need for spending more time on spiritual needs.

Rev. E. Dean Bergen, Associational Missionary, reported on the associational program. There were increases in many phases of the work: 45 percent in baptisms; 7 percent in members; 5 percent in S. S. Enrollment; 31 percent in V. B. S. Enrollment; 61 percent in T. U. Enrollment; 9 percent in W. M. U. Erollment; and 26 percent increase in gifts to missions. He also stressed the need for a well-balanced program, cooperation, and new churches.

Mrs. Gordon Maddrey, State W. M. U. President, brought an inspiring address on "The World in Our Hearts." She pointed out many needs both at home and abroad, emphasizing the fact that God demands our best. After singing a hymn, the session was closed with prayer.

The morning session was opened by singing "O Worship the King" and the devotion by Gilmer Cross, pastor of Goldsboro First. Visitors were recognized and a roll call of the churches was made. Rev. Ed Ulrich, pastor of Falling Creek and Goldsboro Second, reported on the Allied Church League and J. M. Hayes spoke concerning the League. Mr. Hayes was also given

time to report on "Rest Haven," our home for the aged.

Rev. E. C. Wilkie reported progress in the Associational S. S. work and that activity was on the increase. Rev. Richard Whitley reported on the Training Union and stated goals for "M" night. The goals were every pastor present, every church represented, and 350 in attendance. Rev. C. W. Bazemore, representing the **Biblical Recorder**, stressed the need for Christian Literature to combat the evils in other literature. Mr. M. A. Shaver brought an interesting report on Christian Education, stating that the Christian Colleges and their graduates are important to Christian living.

Rev. Richard Young, chaplain at the Baptist Hospital, brought the inspirational address of the morning on "Religion and Health." He stated that religion must be related to the whole personality, and that people need to grow up intellectually and emotionally. Religion can be a major factor to mental health, he affirmed. The morning session was closed with a hymn and a prayer of thanks for the noon meal.

The afternon session was opened and Howard G. Dawkins, pastor of Kinston First, brought the devotion. The business of the Association was taken up. The newly organized Calvary Baptist Church of Goldsboro applied for admission into the Association and was unanimously accepted. The Constitution was amended so that in paragraph (10) the sentence which reads "The Moderator, Vice Moderator, Clerk, Treasurer, S. S. Superintendent, T. U. Director, and W. M. U. Superintendent shall be ex-officio members of the Executive Committee," to be amended to read: "All the elected officers of the Association shall be members of the Executive Committee." The motion was unanimously passed to send greetings to John R. Mewborn and Eugene L. Roberts, both of whom were sick. The motion was passed to send appropriate words to Mr. and Mrs. Gordon Maddrey in regard to their present bereavement. Mr. Earl Letchworth reported on the American Bible Society.

Mr. Ed Mathis reported on the Neuse Baptist Builder's Club and his report was unanimously adopted and the club organized. Committee reports were then presented. The time, place, and preacher committee reported next year's meeting to be on November 5-6 at the Goldsboro Second Church with Eugene L.

Roberts as preacher and E. C. Wilkie as alternate. The committee on resolutions presented three resolutions:

Resolution 1:

Whereas the Neuse Baptist Association has met in Annual Session at the Davis Grove Baptist Church, and

Whereas the people of the host church were exceedingly gracious in providing for the needs of the members of the Association,

Therefore, be it resolved,

First, that we express our deepest appreciation to the people of Davis Grove Church for the fine meal and many expressions of hospitality, and

Second, that a copy of this resolution be sent to the pastor and the deacons of the host church.

Resolution 2:

Whereas the President of the United States has recently appointed an ambassador to the Pope in Rome, and

Whereas we deem such action as a flagrant violation of our inherent rights and laws, and

Whereas as Baptists we feel compelled by conscience to speak out,

Therefore, be it resolved,

First, that we strongly protest the President's action on the grounds that it is a gross abrogation of and serious inroad upon the historic principle and right given us in the First Amendment—that of separation of church and state,

Second, that we do all in our collective and individual power to secure the immediate revocation of this appointment—urging both churches and individuals to send resolutions to their senators and representatives, and

Third, that copies of this resolution, representing the united action of the Neuse Baptist Association, be forwarded to the President and all of the North Carolina senators and representatives.

Resolution 3:

Whereas, the liquor traffic in our State is a great menace to our people with many lives being taken on the highways as a result of drinking drivers, and

Whereas, the use of alcohol as a beverage has been a detriment to character and a blight upon civilization,

Therefore, be it resolved ;

First, that the Neuse Baptist Association ask our people to review our Church Covenant wherein it reads "To abstain from the sale and use of intoxicating drinks as a beverage," and

Second, that our people insist upon proper enforcement of what laws are now in existence concerning the sale and use of alcoholic beverages and assist the authorities wherever possible, and

Last, that we pray, work, and vote to get men to represent us in

our State Legislature who will do all in their power to give our people the opportunity to vote in a state-wide referendum on the liquor question.

The nominating committee made the following nominations:

Moderator ..... Dr. H. Frederick Jones
Vice Moderator ..... Rev. Howard G. Dawkins
Clerk ..... Rev. E. Dean Bergen
Treasurer ..... Mr. C. C. Aldridge, Jr.
S. S. Superintendent ..... Rev. E. C. Wilkie

Rev. Earl Bradley appeared for M. A. Huggins and complimented the Association on the Builder's Club and had a word for the forthcoming School of Missions. He also expressed a desire to help in a School for Deacons. Rev. Julian Pentecost, representing the Hospital, stated that for every dollar we gave, five dollars worth of free care was possible through endowments, etc. Last Mother's Day Offering was $149,000. He further urged the completion of the new hospital wing.

Rev. W. C. Reed presented Mr. W. A. Smith and two new workers, Mr. and Mrs. Paul Kearns. He also gave an illuminating picture of the work and hope of the Orphanage. Professor Franklin Shirley of Wake Forest presented the needs of Wake Forest and stated reasons for Christian colleges. One of the reasons mentioned was the Christian college can pursue truth into the realm of the spirit. Dr. H. Frederick Jones brought the closing prayer and the session was adjourned.

PROCEEDINGS OF THE 1952 ANNUAL MEETING

Theme: Christian Stewardship

The Neuse Baptist Asociation convened in its 21st annual session with the Second Baptist Church, Goldsboro, on Tuesday night and Wednesday, November 4-5. After the singing of "Jesus Calls Us." the devotions were led by Rev. E. L. Parker, Pastor of Jordan's Chapel.

Howard G. Dawkins, Moderator, Kinston, called the Association to order. On motion, those appointed by the churches as messengers were chosen to constitute the body.

The new pastors and visitors were recognized. A roll call of the churches was taken with 99 people representing 19 churches. The program was presented and adopted as altered as the order of business for the meeting.

The Moderator appointed the following committees:

Committee on Nominations: Mr. Ed Mathis, Chairman; Rev. Gilmer Cross, Rev. Richard Whitley.

Committee on Time, Place and Preacher: Rev. Ed Ulrich, Chairman; Rev. Alexander Pasetti, Mr. John Mewborn.

Committee on Resolutions: Mrs. Gilmer Cross, Chairman; Rev. E. L. Roberts, Mrs. Henry Hood.

A motion was made and approved to give three to five minutes to any State Representative coming to our meeting.

Mr. C. W. Bazemore was recognized and spoke in behalf of the **Biblical Recorder.**

Dr. Henry Walden, Raleigh, spoke on "Stewardship of Missions." He pointed out that "Missions is preaching the Gospel and winning others to Jesus. Evangelism is also teaching." He also pointed out that "it is more blessed to give than to receive," and said that parents should be willing to give their children to the service of God. Another striking statement made by him, "Stewardship in Missions is, what is mine is my neighbor's if he needs it."

Mrs. Fred Harrell reported on the activities of the W. M. U. giving stress to the fact that only seven of the churches out of the twenty-four in the Association had young peoples organizations. She urged that more young peoples organizations be formed.

Rev. C. H. Trueblood, Seven Springs, read from Matthew 6 and led in prayer. Then those present listened to a timely and enlightening sermon by Rev. E. L. Roberts, Pikeville, on "What You See," his text being taken from Revelation, chapter 1, verse 19. He pointed out the things God might find in us as Baptists with which to be pleased and the things God might find in us to condemn.

After the singing of "Let Others See Jesus in You," the meeting was closed with prayer.

The morning session was opened by singing, "O God, Our Help in Ages Past," and Rev. R. E. Whitley, Kinston, led the devotional thoughts.

Rev. Ed Ulrich, pastor of the host church, welcomed the Association to the Second Baptist Church and Rev. B. L. Davis, Snow Hill, responded.

The visitors were recognized and a roll call of the churches was made with 130 representing 22 churches.

Dr. Daniels, Professor of Old Testament at the Southeastern Seminary, spoke to those present on "Stewardship of Life." He told of the benefits that we derive from God and also the things that God expects from us. He also spoke concerning a positive testimony—what you are—a testimony in life.

Mr. James Hayes, Winston-Salem, brought a message on "Stewardship of Caring for the Ageing" and told about the happiness of those ageing people in the Home. He said that the money received from the Convention is not enough to care for the ageing. He asked that the Association appoint a representative for the Home for the Ageing and that the Report on North Carolina Baptist Home for the Ageing be embodied in the minutes of the Association. A motion was made to this effect and was approved.

REPORT ON BAPTIST HOME FOR THE AGEING

Resthaven, Winston-Salem, N. C.

Operation of Resthaven was begun March 16, 1951. Soon after the opening, it was filled to capacity, twenty residents. When the news spread of the beginning, applications began to accumulate rapidly. To date, there have been close to 500 inquiries. Had there been rooms available, and all applicants could have made

financial arrangement, our Home would have had 200 residents instead of only twenty at present.

There is encouraging prospect of getting the top floor of the present building completed, which will provide space for fifteen additional residents. The cost of this enlargement project has been underwritten by a business man of Winston-Salem, who is not a Baptist. This same friend has already donated a television set, and has concreted the basement of the Home.

Our residents range in age from 64 to 92 years, and come from widely scattered sections of our State — Franklin to Elizabeth City. All rejoice in the opportunity to be in the Home. Here are some of their statements:

"I like this good Christian Home and all the family. I would not exchange it for any other in all the world."—Mrs. J. L. Smith, coming from Franklin.

"This, 'more than we expected' about this Home makes us all hope and pray that more men and women may come to enjoy its many b'essings." — Miss Ella Moffett, coming from Southern Pines.

"I never thought I would be so happy in my last years of life." —John Holt, age 92, coming from Wilson Mills.

In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention (except a loan which was repaid), it was operated clear of a deficit. How did this happen? By the Lord laying our needs upon the hearts of friends and causing them to respond. Of course, the Home was compelled to charge the cost of keep from the residents who came on the monthly-pay plan. The income from this source, together with that coming from residents giving property or cash for their maintenance, plus donations by churches and auxiliary organizations and friends, enabled the Home to pay its way and to accumulate assets in excess of $100,000.00.

Beginning the year 1952, with the new Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500.00 per month since January of this year. The Home is estimated to receive a total of approximately $500,000.00 in NINE YEARS. It is apparent, therefore, that date the hundreds of ageing people who want to come to our Home, slow provision for enlarged facilities will be made to accommounless funds come from other sources than our denominatinal program as it now operates.

Our Home presents a great challenge to North Carolina Baptists to provide adequate facilities. There are probably 100,000 people in our State past 65 years of age, and a large number of these are of Baptist faith. We must make provision as time and finances permit for these ageing Baptists. Since Baptists of our State now number more than 700 000 in membership, we are well able to make such provision. If every Baptist would give an average of $1.00 to our Home in one year, we could raise $700,000.00 and not

one person would suffer hardship. As soon as a practical and adequate plan of support can be agreed upon it is reasonable to expect that our Baptist Home will be worthily supported.

Many suggestions have been made as to the best plan of supporting our Home. Among them are: (1) Fifth Sunday offerings through the Sunday Schools, as the Virginia Baptist Home plan; (2) special day offering, as the Mother's Day plan for our Baptist Hospital; and (3) putting the Home in the local church budget, and appealing to the churches that have no budget for at least one special offering a year.

Either of these plans, supplemented by such special gifts as may come from individuals and corporations, and provisions made in wills, would enable the Home to make reasonable progress, and thus enlarge our facilities on the pay-as-you-go plan.

We are closing our report with a statement made by a prominent furniture manufacturer, Mr. B. C. Philpott, of Lexington, N. C.

"I consider this one of the most important forward steps the Baptists of North Carolina have taken in a long time, because it is indeed a great move and one that has been neglected all too long.

"Mrs. Philpott and I want to have a part in this fine undertaking, and herewith you will find my check for one thousand ($1,000.00) dollars, which we desire used as a memorial to our son, B. C. Philpott, Jr.

"May the Lord continue to bless you in such a noble work."

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

Prepared by:
James M. Hayes, Supt.

Mr. W. A. Smith of Kennedy Home told of the improvements at the Orphanage and also of the dental equipment that they were acquiring.

Dr. W. K. McGee, Head of the Department of Religion at the Bapitst Hospital, Winston-Salem, spoke on "Stewardship of Possessions." He told how Zacchaeus broke the bonds of covetousness in his life by giving half of his possessions away, and also said that salvation only come to us as we break the bonds of covetousness in ourselves. He stated that Jesus came to save the total life and being of a person. God made us and brought us; therefore we belong to Him.

The morning session was closed with a prayer by Rev. W. C. Reed.

The afternoon session was opened with the singing of

"Give of Your Best to the Master," after which the devotions were led by Rev. Alexander Pasetti.

The Moderator recognized Rev. W. C. Reed, Superintendent of the Baptist Orphanage. Rev. Reed spoke briefly on "Preaching the gospel to the poor and binding up the broken hearted."

Mr. Oscar Creech of Chowan College was recognized and spoke in behalf of the College. The business of the Association was taken up.

The Clerk read a recommendation from the Executive Committee, recommending that the Association call Rev. Richard Whitley as Associational Missionary. The Clerk then made a motion that the recomendation be adopted and there was a second by Rev. E. L. Roberts, and the motion carried.

The Committee on Time, Place and Preacher reported as follows:

Alternate: Rev. Harvey Thornton, Goldsboro, N .C.

The Moderator selected a committee of five to serve on the Missions Committee: Rev. Gilmer Cross, Chairman; Mrs. Fred Harrell, Rev. Alexander Pasetti, Rev. B. L. Davis, Mr. George Strickland, Rev. Howard G. Dawkins, ex-officio member.

The Committee on Resolutions presented the following resolutions:

Resolution 1.

Whereas the Neuse Baptist Association has met in annual session in the Second Baptist Church, Goldsboro,

Therefore be it resolved:

First, that we express our very deep appreciation to the people of Second Baptist Church of Goldsboro for their cordial welcome, their provisions for our physical needs, and every expression of their gracious hospitality,

Second, that we express our heartfelt gratitude to those who planned and executed the splendid program, and to each speaker who so ably provided the spiritual food which had enriched our lives and given inspiration for more consecrated Christian living.

Resolution 2.

Whereas the Neuse Association enters into a new missionary program and has now employed a full-time missionary

Therefore be it resolved:

First, that each church share its proportionate part in the financial support of this very important program of the Association,

Second, that we as members of this Association give full cooperation through effort and prayer to such a program that will glorify God and magnify His name in eastern North Carolina.

Resolution 3.

Whereas the theme of our program has been Christian Stewardship,

Whereas the speakers have enlightened and inspired us toward definite scriptural stewardship,

Whereas there is very evident need for such stewardship in our Association,

Therefore be it resolved:

First, that we as Christians personally accept the teachings of the Bible concerning stewardship,

Second, that we remember we are stewards of the Gospel of Christ and make soul-winning a definite part of our daily life,

Third, that we render to God "a pure heart, a listening ear, a sensitive will, a positive testimony" and

Fourth, that we each one be a tither of our material possessions and use our influence to win others to this very fundamental practice and proof of our submission to and faith in God our Father.

Resolution 4.

Whereas our great nation has chosen its leader for the next four years, and

Whereas there is a deep need for the united cooperation of every American citizen, and

Whereas there is urgent need for deep spirituality and divine guidance in every department of our government,

Therefore be it resolved:

First, that we forget partisanship and lend our influence and effort as Christian citizens of America, working and praying for the good of people not only in our own land but in all parts of the world conscious always that Christ said, "Render unto Caesar the things that are Caesar's and unto God the things that are God's", and

Second, that we pray earnestly and continually for the new president and the entire governmental personnel that God's will for America in these difficult times may be known and followed and that America be a good steward of the Message of Peace in order that we may have world peace.

Mrs. Henry Hood
Mr. W. A. Smith
Rev. E. L. Roberts
Mrs. Gilmer Cross, Chm.

All Committee reports were unanimously adopted.

The newly elected missionary was recognized and asked that all who needed his services would feel free to call on him.

Mr. Jimmy Morgan spoke on "Stewardship of Christian Training," and said that we often think in terms of time, talents, and possessions, but there is something greater than these in stewardship for stewardship takes in all of life.

Mr. Claude Gaddy in speaking on the subject, "Stewardship of Christian Education," said the hope of the Christian program in North Carolina depends largely on the seven Baptist Colleges in North Carolina.

Dr. M. A. Huggins spoke on the Baptist Program.

Mr. E. F. Mathis reported on the Builders Club and a motion was made to declare December 7 as Builders Club Day and have the Pastors and executive committee members inform the churches as to this day. There was a second to this motion and it was unanimously approved. A goal was set at 10% of the church membership to become members of the Builders Club.

The meeting was adjourned with prayer by the Rev. H. G. Thornton.

Theme: EVANGELISM

The Neuse Baptist Association convened in its 22nd annual session with the Union Baptist Church, Seven Springs, Route 1, on Tuesday night and Wednesday, November 3-4. After singing of "We've A Story To Tell To The Nations" the devotions were led by Rev. William Tyndall Pastor of Bethel Church.

Mr. Johnnie Mewborn, vice-moderator, Snow Hill, called the Association to order. On motion those appointed by the churches as messengers were chosen to constitute the body. The program was presented and adopted as the order of business for the meeting subject to any necessary changes.

Mr. George Strickland, Kinston, gave the report of the Associational Training Union Activites for the past year. He reported that there had been two mass meetings in the associational year just past and that Sandy Bottom was now in possession of the attendance banner. He also reported that there was a balance of $10.69 on hand in the Associational Training Union Treasury.

Rev. Waldo D. Early read the Scripture taken from John 1:38-42. Then he delivered an inspiring and timely message on "The Three Great Calls Of Jesus". He pointed out that the three great calls each Christian heard was to Come to Jesus, to Tarry there with Him and learn of Him, and then to go and tell others of Him.

After the singing of "Jesus Calls Us" the meeting was closed with prayer.

The morning session was opened by singing "Faith Of Our Fathers" after which Rev. Ralph Cannon led the devotional thought.

Reverend C. H. Trueblood, pastor of the host church, welcomed

the Association to the Union Baptist Church and Rev. William Tyndall, pastor of Bethel Church, responded.

New pastors and visitors were recognized. A roll call of the churches was taken with 158 messengers from 22 churches.

The Moderator appointed the following committees:

COMMITTEE ON NOMINATIONS: Rev. Gilmer Cross, Chairman; Rev. Ralph Cannon, Mr. Johnny Mewborn, Mr. Ed Mathis. Rev. Waldo Early.

COMMITTEE ON TIME, PLACE AND PREACHER: Rev. Richard Whitley, Chairman; Rev. Ed Ulrich, Mr. Clayton Rouse, Mrs. B. W. Spilman, Mr. Braswell Smith.

COMMITTEE ON RESOLUTIONS: Rev. C. H. Trueblood, Chairman. Rev. R. F. Smith, Mr. M. A. Shaver, Mrs. Fred Harrell, Mr. Herman Wellons.

Reverend Ed. Ulrich, Associational Sunday School Superintendent, reported on the Associational Sunday School as follows:

Report of the Association Sunday School Superintendent

to

THE NEUSE BAPTIST ASSOCIATION

Sunday School is on the march in the Neuse Association. Spurred by the challenge of the critical hour in which we live, the increase of juvenile and parental delinquency, the breakdown of Christian training in the home, the plea of law enforcement officers to enroll boys and girls in Sunday School before they become the criminals of tomorrow, and most of all the command of our Saviour to "go". Our Sunday Schools have accepted the challenge of "A Million More In '54" and are seeking at least 1500 of that million within our association.

This past year has been a year of planning and preparation. It began with a study of the booklet "Holding Forth The Word of Life To More People" and reached its climax in most of the churches of our association with a study of "The Pull Of The People." As a result of this study, new teachers have been recruited, new classes organized, new departments established, as Sunday Schools all over the association have gone to work in earnest to win a "Million More".

If your Sunday School has not yet joined this crusade to reach a "Million More" with the study of God's word that we might win them to a saving knowledge of the Lord Jesus Christ, here are some

things you can do. First, Hear the command to "Go" as it falls from the lips of your Saviour. Second, "Lift up your eyes", see those around you are enrolled in Sunday School, pray for them until they grip your heart and you can't rest with them out of Sunday School and away from Christ. Third, study "The Pull Of The People" in order to learn how to better reach these people through Sunday School. Fourth, act, adopt a goal of at least 30% increase in your present enrollment, arm yourself with the Word of God, organize new classes and enlist new workers and go out in the highways and byways and bring them in to Christ. Remember every new worker means ten more people enrolled in Sunday School, the Lord said to those who "Go", "Lo I am with you always, even to the end of the age."

Respectfully submitted,

ED ULRICH
Association Sunday School Superintendent

Mr. D. P. Brooks spoke on "A Million More In '54". He pointed out that the possibilities for the Southern Baptist's was over and above the million more that had been planned for the Sunday School enrollment increase in 1953. He cited a drastic need for more buildings and pointed out that the only defeat we can know in our great campaign for A Million More in '54 must come from within the individuals that comprise the Southern Baptist Convention.

Mr. Claude Gaddy spoke on "Evangelizing Through Christian Education". Unity among Baptist is dependent upon education, said Mr. Gaddy. He called for full support of the vast educational program in North Carolina and the entire Convention.

Dr. L. L. Carpenter gave a report of the Biblical Recorder and named the Churches in the Association which have the every-family plan at work.

Special music was offered by the Kennedy Home Choir. The three numbers beautifully rendered were well received.

Dr. H. Frederick Jones spok on "The Churches Place In Evangelism". He reminded the association that the difference between the educated man and the fool lies in what one sees, and that we should all "open our eyes and see". In closing his message Dr. Jones stressed that the fields are white unto harvet and that they must be harvested through evangelism.

The morning session was closed by prayer by Rev. Ralph Cannon.

The afternoon session was opened by the singing of "Give of Your Best To The Master" followed by Scripture reading and Prayer by Rev. J. D. Hales, Jr.

The report of the Missions Committee was received as follows:

REPORT OF THE MISSIONS COMMITTEE
to
THE NEUSE BAPTIST ASSOCIATION

During the Associational year the Rev. Mr. Richard Whitley, our missionary, received a call to become the pastor of the Glen Raven Baptist Church of Kinston, N. C. Upon his acceptance of the call to this new work our Association was left without a missionary. Your Missions Committee was asked by the Executive Committee to

assume the responsibility of searching out a successor to Mr. Whitley. Accepting the responsibility to find a new missionary, your Committee set out on its work prayerfully and has worked faithfully.

Being convinced that we have been led of the Holy Spirit in the performance of our work, we wish to make the following recommendations:

First. That the Neuse Baptist Association extend a unanimous call to Brother H. R. Starling of Ricky Mount, N. C., for an indefinite period of time.

Second. That the following budget, which has been approved by the Executive Committee of the Association, be adopted by the Association in session.

Salary	$3,600
Office Supplies	250
Car Expenses	600
House Rent	600
Retirement	144
Convention Expenses	150
	$5,344

Third. That all member churches of our Association be faithful in their support of our Missionary program.

Respectfully submitted,
Mrs. Fred Harrell, Goldsboro
Rev. Alexander Pasetti, La Grange
Rev. B. L. Davis, Snow Hill
Mr. Geo. Strickland, Kinston
Gilmer H. Cross, Goldsboro, Chairman
Rev. Howard Darkins, Ex-officio

All the above reports were unanimously adopted.

The Committee on Constituion gave resolutions for three changes in the present constitution. Motion was made by Rev. William Tyndall and seconded by Mr. Earl Letchworth that the resolutions presented be referred back to the Committee on Constitution for further study and that they be presented at the regular annual session in November, 1954. This motion was unanimously adopted by a standing vote.

Rev. H. R. Stallings, the new missionary, was led before the session and introduced. Rev. W. C. Reed led the assembly in a prayer of dedication.

Mr. E. F. Mathis gave the following report of the activities of the Building Committee for the past year:

A MESSAGE FROM THE NEUSE BAPTIST CLUB

The Neuse Baptist Association of 27 Baptist Churches throughout Lenoir, Wayne and Greene Counties, having had requests for financial assistance from small and needy Churches and Missions within the Association, and being impotent within themselves to furnish this assistance—and being familiar with the urgent needs of these Churches, has undertaken to organize a Club among the Association's Church members whereby funds may be made available at all times to meet these needs in carrying on GODS WORK.

With this aim and purpose, the Association did organize in 1952, THE NEUSE BAPTIST BUILDERS CLUB. The Executive Committee of the Association, consisting of the Pastors and Committeemen from each Church administer all the affairs of the Club at the regular monthly meeting of the Association and are governed by definite by-laws approve by the Association.

The Club Plan is to call for volunteers from the Church Members to become Building Club Members. $2.00 membership dues, with the member agreeing to answer CALLS from the Club's treasurer at $2.00 each call, not to exceed five calls during the Associational year—and that it shall be the privelege of a member to cancel his membership at any time upon written notice to the Secretary. A call upon the membership shall be made only when the Club's funds are allocated to within $100. All moneys paid into the Club are to be used only for aiding needy Churches within the Asociation, except actual cost of postage and literature. All moneys going to Churches shall be Gifts and not loans. A Club year shall begin November 1st and end October 31st to correspond to the Associational year.

It shall be the privelege of a member to pay $10.00 instead of $2.00, thereby eliminating any further calls upon him for the year.

It is the desire of the Club to enroll 10% of each Church's membership, (aproximately 5,400 members throughout the Association), with the hope that five to six hundred members will immediately volunteer. Since the organization of the Club, no special effort has been made to bring the PLAN AND PURPOSE of the Club before the membership. Therefore this message is brought to you with the hope that you will support the Club by your membership and the fellowship of your prayers. Envelopes have been placed in the pews for your convenience. Please use them, filng them out with your name and address, Church affiliation, and inclose your membership dues. Drop them in the Offering Plate at any Church Service.

Rev. Gilmer Cross gave the following report on the Bible Society In Evangelism:

AMERICAN BIBLE SOCIETY

THE WORLD MUST HAVE THE BIBLE. It is the one primary source of knowledge of Christ.

Travel to Africa and see a group of people in central Congi, gathered about a misionary reading from the Bible in their own Luba-Lulua language. Iisten to a small boy say to him, "May I have that book? Those words made holes in my heart! I want to read it to the people of my own village far off in the forest." That boy expressed a missionary principle true in all lands: EVERY PERSON MUST HAVE THE BIBLE IN HIS OWN NATIVE LANGUAGE IF THE WORD OF GOD IS TO SPEAK TO HIS HEART.

The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave and keep on working in a man's heart.

GIVING THE BIBLE TO THE PEOPLE OF THE WORLD IN THEIR LANGUAGES IS A MISSIONARY TASK.

Someone must translate it, publish it, send it to the people wherever they may live and make it available at a price they can afford to pay (far below cost in most countries) or without charge in cases of special need.

The American Bible Society serves as that "Someone". It aids in Bible translation, publishes the Scriptures without note or comment and distributes them, without profit and usually below cost, for mission work around the world. For the Blind, it supplies Scriptures in raised-letter systems and on Talking Book records.

THE AMERICAN BIBLE SOCIETY IS AN ACTIVE PARTNER OF SOUTHERN BAPTISTS in their world-wide mission work. The Society serves every form of missions at home and abroad.

DURING 1952 THE AMERICAN BIBLE SOCIETY—

— distributed throughout the world more than 13 million volumes of Scriptures.

— helped the Japan Bible Society to distribute some 3 million Scripture volumes, making a total of more than 13 million volumes distributed in Japan since V-J Day.

— aided the Korean Bible Society in supplying Scriptures for civilian, South Korean and other UN forces, and North Ko-

— provided 904,753 Scripture volumes for our Armed Forces reans and Chinese in prisoner-of-war camps.

bringing the number supplied since 1940 to almost 11 million volumes.

— received gifts which made posible its largest budget —and adopted for 1953 an even greater program to meet expanding needs for Scriptures around the world.

— but faced other requests for urgent needs on many fields, especially Japan, Korea, Hong Kong, India, Burma and Brazil, again emphasizing the fact that missionary advance, through increased Scripture distribution, waits only for needed funds!

Southern Baptists CAN LEAD in providing ENOUGH Bibles for world needs NOW!

In 1952 Southern Baptist churches gave $102,872 to the American Bible Society. Gifts from churches of all denominations totaled $705,147. Southern Baptist gifts stood in second place, exceeded only by Methodist gifts of $125,552.

The help of every Southern Baptist church is needed. Every church can give at least these amounts each year: Country and village churches, $10 to $25. Churches in small cities, $25 to $100. Larger churches, $100 to $200. Great city churches, $200 to $500 or more. Please send the gifts from your church to your Baptist state headquarters office, marked "for the American Bible Society."

Mr. James Hayes gave the following report on the Home For Ageing:

NORTH CAROLINA BAPTIST HOMES FOR AGEING

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating, March 16, 1951.

Resthaven, with space for twenty residents, has been filled to capacity. The number of inquiries for rooms has increased into the hundreds.

The Home received its best financial support. The share received from the Nine Year Program (1952) was $14,062.80; our first Special Day offering, February 15, exceeded $52,000. and from individuals, churches, and auxiliary organizations we have received $12,380.33, as of August 1st.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3055 Baptist churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Home has been operating (2 years), and the fact that this was the first opportunity to appeal

to our crurches for a special offering, all of us should be encouraged by the response. Our next Special Day offering, February 21, 1954, should amount to $100,000.

On June 18, this year, property was purchased for a Branch Home at Albemarle. This property, consisting of a vacated hospital building and a nurses' home building and nearly three acres of land, was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 resident — 20 at Resthaven, Winston-Salem and 40 at the Albemarle Home.

Dr. W. K. McGee gave a report on our Baptist Hospital giving account of the new wing now almost completed.

The group stood and sung "Stand Up, Stand Up For Jesus."

Rev. W. C, Reed spoke on the Orphanage in Evangelism, and he centered his remarks around these three points: First, the Orphanages are Child centered, Second they are Christ Centered, and Third thy are Church Centered. His delightful remarks were appreciated by all.

A free will offering which amounted to $77.51, was received for Rev. Norman Arant recently placed in a sanitorium with Tuberculosis.

Dr. M. A. Huggins spoke on Co-operative Program In Evangelism. His timely and refreshing remarks informed and inspired the assembly.

The meeting was adjourned by prayer by Mrs. B. W. Spilman.

5. Ed Ulrich Jr., spoke on our progress in Sunday School work for the year.

His Report which was adopted, follows.

Sunday School Report

The Sunday School rolls of the Neuse Association reports a year of blessing and victory under God. This has been the year of special effort on behalf of the "Million More In 1954" Campaign. One year ago the churches reporting to the Association had a total Sunday School enrollment of 4,990. This year the churches reporting had a total Sunday School enrollment of 6,128 making a net gain in enrollment of 1,138. The suggested goal given by the state office was a net gain of 890. This means that the Neuse Association exceeded its goal by 248. To God be the praise and the glory for that which has been accomplished.

A breakdown of the reports reveals that 5 churches showed loss in Sunday School enrollment, 2 had neither gain nor loss, 18 made gains, and 3 new churches were included in the reports this year. From the human standpoint there were several factors that contributed greatly to the Sunday School growth; first of all the establishment of 3 new churches, then the organization of new departments and new classes in many of our present churchs and a constant visitation program by many of the workers in our Sunday Schools.

The question now faces us, what are we doing with this 1,138 that have been enrolled? The challenge of "Every Church Revived in 1955", is before us and we are conscious that many of these enrollers need to be won to Christ and others need to be enlisted in fuller Christian service. Many of our Sunday Schools must provide additional departments and classes to keep active those who have been placed on our rolls.

Another question that faces us is, what about the thousands within our Association not yet enrolled in Sunday School? To answer this question the Sunday School works of the Neuse Association pledges itself to work with the churches in following the same pattern of enlargement in order that another 1,138 and more might be reached for better Bible teaching by our Sunday Schools in 1955.

Respectfully submitted,

Ed Ulrich, Jr.
Assoc. S. S. Supt.

6. Mrs. Fred Harrell presented the work of Associational W. M. U. for the past year. The adopted Report follows.

W. M. U. REPORT 1953-54

Woman's Missionary Union is a very integral part of our Great Southern Baptist Convention, our Baptist State Convention, Neuse Association, and of each local church that has such organization—never separate from the church, but always, if properly carried on, a compliment to the church.

May I explain the abbreviations that are used in connection with Missionary organization—W. M. U. indicates the Missionary Society, and any or all of the missionary organizations for young people. W. M. S. is the abbreviation for Woman's Missionary Society, the organization for women. Young Woman's Auxiliary, Girl's Auxiliary, Royal Ambassadors and Sunbeams are the Junior organizations, which make up W. M. U.

W. M. U. was founded upon prayer, and is still the first fundamental. The permanent watchword or motto of W. M. U. is "Laborers Together with God". Each year an annual watchword, in keeping with the theme for the year is chosen; the 1954-55 watchword is: "And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up.Throughout the organization the women will work and plan with this verse central in their thinking.

Twenty-six of the 29 churches in Neuse Association have a Woman's Missionary Society; but there are 11 churches with no Missionary organization for young people. The churches with young people work have 15 Sunbeams, 17 Girl's Auxiliaries, 11 Royal Ambassadors and 8 Young Womens Auxiliaries.

Membership Sept. 30, 1954 is as follows:

W. M. S.	1,060
Young People	798
Total	1,858

One important phase of W. M. U. work is the reading and study of books pertaining to Missions—Records are kept by each local group. The totals are as follows:

W. M. S. Mission Study Classes—49 with 863 in attendance.

Young People Mission Study Classes—74

As a part of a well planned Stewardship training program, all members are urged to contribute through the Cooperative Program. 450 members are reported as tithers.

Four Seasons of prayer are held during the year, and special offerings taken—These offerings are designated.

The week of Prayer for Foreign Missions is held the first week of December, and the love offering is known as the Lottie Moon offering. This love gift goes to Foreign Missions.

Home Mission week of Prayer is observed during the first week of March, with offering known as Annie Armstrong offering, being used for Home Missions.

The W. M. U. of North Carolina, have a special love offering, known as Heck-Jones offering. The use of this fund changes from year to year, but is always used for Mission causes.

The Season of Prayer for State Missions is held in September, and the special offering is used in the State Mission work. Offerings for year were as follows:

Lottie Moon Christmas offering	$4,881.36
Annie Armstrong Offering	2,612.26
State Missions Offering	1,443.22
Heck-Jones Offering	878.44
Total	$9,815.28

This amount does not include amounts used in local Community Missions, World Relief, etc.

The annual meeting was held in April, in LaGrange, with approximately 250 in attendance.

A Mission Study Institute, for teachers of Mission Study books was held with about 50 in attendance.

The annual Leadership Conference had in attendance 150 members from 19 churches.

The officers and committee chairmen composed the Executive Committee, which meets quarterly.

Two Missionary Socities, and 1 Girl's Auxiliary attained the Standard of Excellence.

7. Horace Easom led in the singing of "My Hope Is Built".

8. Harry Shumate urged the growth of Brotherhood work and introduced Mr. Easom who spoke to us later in the evening.

9. The Young Ladies Choir of the host Church rendered a lovely number "Song In My Heart".

10. N. F. Arant, one of our pastors who has been sick for the past year, was present. He expressed thanks for the prayers and other interests shown by many friends during his long illness.

11. Horace Easom, State Baptist Brotherhood Secretary, brought the main address of the evening, speaking on The Brotherhood Program.

12. A Tabulation of those present for the first session showed 44 Messengers, 8 Alternates, 33 visitors and 24 others, including a goodly number of pastors. There was a total of 109 for the Evening Session.

13. "Onward Christian Soldiers" was sung, and W. R. Cullom led the closing prayer.

WEDNESDAY MORNING, NOVEMBER 3RD

14. The Morning Session opened with the singing of the Hymn "The Church's One Foundation". Roy Beals of the Madison Avenue Church read from Matthew 5 and led the prayer.

15. Host Pastor, Gilmer H. Cross, gave us a hearty welcome to Goldsboro First Baptist.

16. The records show that the following visitors registered during the Annual Meeting: Mr. and Mrs. Alexander Pasetti, formerly of this Association, now of Richlands. Mr. and Mrs. Harold J. Stevens, Missionaries to Zululand, South Africa. Duane W. Amburn of the Official Staff of Campbell College. Chaplains W. J. Williams and William D. Tyndall of the Baptist Hospital, Winston-Salem. Dr. W. R. Cullom and Ken Fellman of Wake Forest. Garland Hendricks of Southeastern Seminary. John E. Lanier, Rocky Mount. W. P. Biggerstaff, representing Allied Church League. C. W. Bazemore of the Biblical Recorder, Raleigh. Horace Easom, Shelby. H. M. Hall of the Johnston Association, Benson. Dr. and Mrs. J. C. Canipe of Hendersonville. Sophia Peele, Norfolk, Va. James Hayes, Winston-Salem. W. C. Reed, Thomasville. James P. Morgan, Raleigh. Many of these were heard on the program, others were publicly recognized.

17. The Clerk announced that all churches were represented by either letter or Messengers, except Hopewell. This included the three new Churches that were admitted as members.

18. The Moderator appointed certain Committees, whose names will appear after their reports in the following pages.

19. At the First Report of Committee on Constitutional Changes, Committee Chairman C. H. Trueblood read the Committees recommendations. Various other changes were proposed from the floor. All were passed at the first reading by the required two thirds of those voting.

20. Dr. J. C. Canipe, our State Leader of Evangelism, stirred our hearts as he called us to action in the great move to win our State for Christ.

21. H. Frederick Jones was not present to speak on The Church Covenant, as scheduled.

22. W. C. Reed spoke on the work we are doing with our Orphanage Program in North Carolina. He submitted the following Report which was received as information.

REPORT OF THE BAPTIST ORPHANAGE OF NORTH CAROLINA

Another Good Year

It is always a privilege to report to our people the facts concerning their Orphanage. Again, through your generosity, we were able to care for about 700 children last year. The physical plants both at Mills Home and Kennedy Home are now in good condition.

BUILDING PROGRAM

At Mills Home the Recreational Center and the beautiful new Church Building were completed during 1953. Now for the first time in its history Mills Home has adequate places for its children both to play and to worship. The Church stands in the very center of the campus with its tall spire pointing heavenward. It is by far the most beautiful building ever erected at your Orphanage. As the children are led in worship by our pastor, there is a spirit of reverence which would thrill the heart of every North Carolina Baptist.

We are now about ready to let a contract for a new Church Building at Kennedy Home. This will be equally as beautiful (though not as large) as the one at Mills Home. It will enable us to meet the spiritual needs of the children far better than ever before. North Carolina Baptists should rejoice that special friends have made these Church buildings possible. They should also thank God that every effort is being made to see that their homeless children are privileged to grow up in a spiritual atmosphere.

Charity And Children

CHARITY AND CHILDREN, your Orphanage publication, has an all-time high in circulation. We send out more than 46,000 copies each week. The subscription price is 60c per year in clubs of 10 or more to be distributed in your Sunday Schools. Surely every Church in our state will want at least ten or twenty copies of this splendid Baptist publication. It will keep you informed about your Orphanage as well as other phases of Baptist work.

Plan Of Support

The income for 1953 was good. Our Churches through the Once-a-Month offering and the Thanksgiving offering continue to meet the challenge of the homeless children in our midst. Truly God will continue to bless our people as they minister to those who can't can't help themselves. Our Savior said, "Whosoever shall receive one of such children in my name, receiveth me; and whosoever shall receive me, receiveth not me, but him that sent me."

Our new plan of Orphanage support should not be very different from the present plan. The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. This gives any Church the privilege to send all its funds except the Thanksgiving offering through the Cooperative Program if it so desires. However, the General Board and the Executive Secretary of the Convention make the following recommendations: First, that Churches that now take the Once-a-Month offering continue this plan. Second, that Churches which have the Orphanage in the Budget for a certain amount be encouraged to continue this same method during the period of transition.

Thanksgiving Offering

The Thanksgiving offering, of course, will be continued just as before. Each Church is urged to give the people a chance to make a Thanksgiving offering. Each person is urged to give at least One Day's Pay as a "Thank Offering" for the support of the dependent children for whom Baptists are responsible. These children are

wholly dependent upon North Carolina Baptists for their chance in life. We must not, we will not fail them.

23. Ralph Cannon, Associational Training Union Director, presented the work of the Training Union, submitted the following Report which was adopted, and introduced James P. Morgan our State Secretary, who addressed the body.

BAPTIST TRAINING UNION IN NEUSE ASSOCIATION 1954

The Baptist Training Union of the Neuse Association has made some progress in the past year, but we have a vast challenge before us. Only half of the churches have any type of training program at the present time.

At present there are only 15 churches with a Training union in them. These 15 churches have an enrollment of 1,157 with an average weekly attendance of 605. We have one person enrolled in Training Union for every six enrolled in Sunday School, and one enrolled in Training Union for every five church members. During these years of war the federal government trained every man or woman in service. Surely our Churches should be as eager to prepare its Christian Soldiers as the Nation is to prepare for war..

We have a full slate of officers for the coming year. And we have several goals set:

1. Training Unions in at Least five other churches.
2. To have four Quarterly meetings in the coming year.
3. To have 600 present for M Night on Dec. 6 at First Baptist Church of Goldsboro.

We are dedicated to a three point program for 1955:

1. Training Unions in at Least five other churches.
2. A Study course in Every Training Union.
3. A Quarterly report from every Training Union.

Respectfully Submitted
Ralph L. Cannon

24. M. A. Shaver introduced the subject of Christian Education, submitted the following Report which was received as information, and presented Garland Hendricks who made the address.

WE ACCEPT THE CHALLENGE

The North Carolina Baptist Council on Christian Education presents the seven colleges, with their geographical locations, now receiving support from the Baptist State Convention.

There are 5,000 students enrolled annually in these seven institutions.

Four-hundred of these are being trained for the Baptist ministry, and an additional 250 are student volunteers for other full-time services.

Each year some 600 students are being graduated from the two senior colleges, and 500 from the junior colleges.

Four-hundred officers and teachers work as full-time employees in the seven institutions.

The responsibility for the operation of each of these colleges is vested in a Board of Trustees named by the Baptist State Convention.

They have a net plant value of $15,000,000, and an annual operating expenditure of $3,000,000.

The present endowment, including the $11,000,000 provided in the Smith-Reynolds Foundation for Wake Forest College, totals $15,500,000.

The Nine-Year Program of the Baptists of North Carolina provides for the expenditure of $8,125,000 for plant additions and improvements, and an annual operating fund of $450,000, or approximately $100 per student.

The North Carolina Baptist Council on Christian Education has 45 members, 21 of whom are institutional representatives, 20 pastors and laymen from the General Board, and 4 ex-officio members.

25. In a change in the Program order, Mr. James Hayes was asked to speak at this time on the subject: Our Care For The Aged. E. L. Roberts was not present at this time, but later submitted the following as his Report on:

NORTH CAROLINA BAPTIST HOMES

James M. Hayes, General Superintendent
Ronald E. Wall, Chairman, Board of Trustees

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents —Resthaven, Winston-Salem (19), and the Albemarle Home (35). The total cost of the property and renovation at Albemarle was $83,943.88. But, with the value of the equipment donated, the property there should now be worth at least $300,000. Good fortune was ours again in securing the splendid staff of helpers at Albemarle. Rev. Zeb A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of, and all who have visited, the Home have been greatly pleased with the program of service.

Resthaven, at Winston-Salm, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there have been but two deaths within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging.

To date, the second Special Day Offering, February 21, 1954, has amounted to $65,786.03. In addition, the Homes received $21,000.00 as their share of the Nine-Year Program.

Two valuable gifts of real estate were received during the past year. The first was a lovely stone residence at Banner Elk, North Carolina, which was donated by Mr. and Mrs. Ralph E. Truesdell of Ridgecrest. his property is worth $20,000. The second gift was the 780-acre tract of land, with a good dwelling house and several utility houses, donated by Mr. Eschol Jessup and his sister, Miss Janie Jessup, of Cumberland county. This property should bring to the Homes around $50,000.

Word has come, too, of wills, from which the Homes will receive gifts. At least one will was probated in 1954, from which estate the Homes will receive $2,000. Also, the Homes will be beneficiary of two insurance policies totaling $6,000.

But the most encouraging progress has been the response, on the part of our Churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by specially designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accommodating larger numbers of aging friends.

The Board of Trustees have agreed that construction of the first unit on the central site of the 34-acre tract of land at Winston-Salem should begin within a year. The architect is preparing sketches of buildings. With gifts in hand and receipts from the Special Day Offering and the Nine-Year Program, plus the helpful

donations of real estate during the year, circumstances are favorable to begin construction of the first unit, which would give us adequate office, dining room, kitchen, chapel, refrigeration, and infirmary facilities, and would provide space for 40 additional residents. It is estimated that the cost of this building will be around $300,000.

We are beginning to receive promises of individuals to pay the cost of construction of a room in the new building. It is hoped that many other friends will follow this example.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the occupants, but it would become the property of the North Carolina Baptist Homes.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

26. Mrs. Forrest T. Jones spoke on the subject "Christ Supreme in Christian Literature". Her Report, which was adopted, is printed below. C. W. Bazemore, Associate Editor of the Recorder, addressed the body.

CHRISTIAN LITERATURE

"A man is what he reads". In that case, we need to be careful what we read. Missionary Baptist have lots of good literature; which, if we have in our homes and read; will make us better Christians and church members.

At this time our interest is especially in our State Baptist paper: The Biblical Recorder. It keeps us informed on all phases of our Baptist work.

Some of our churches have Recorder clubs to which every home belongs. Some have clubs to which just a group belongs. If every Baptist home in N. C. had the Recorder coming into it and it was read, we would be a much better informed people and, therefor, a more interested people.

Respectfully submitted,
Mrs. Forrest T. Jones

27. Mr. Amburn of Campbell College spoke a word in the interest of the College. W. P. Biggerstaff of the Allied Church League made an announcement concerning the work of the League.

28. The Hour of Worship having arrived, the Congregation sang "More Love To Thee". Alexander Passetti, the Appointee, read the Scriptures from John 10:27-29. His Sermon dealt with the great Theme of Eternal Security of the Beliver. By request of the Committee, Mr. Pasetti returned from Richlands to bring the Annual Sermon for which he was appointed. He has recently gone from our Association to be a pastor in the Atlantic Association.

29. Mr. Cross announced the eating arrangements and invited us all to lunch. Ralph Cannon pronounced the Benediction and offered Grace for the table.

AFTERNOON SESSION

30. The Afternoon session convened at 1:45 with D. J. Robinson reading John 13:35, making some comments and offering prayer. The congregation sang "What A Friend We Have".

31. The Committee On Constitutional Changes brought its Report for the second time, as required. Herman Trueblood, Chairman, Gilmer H. Cross and Ed Ulrich, Jr.

32. The following Resolutions were read and adopted:

41. H. R. Starling, our Associational Missionary, read the following paper. The Moderator asked that it be printed as a part of the Proceedings.

CHRIST SUPREME IN ASSOCIATIONAL MISSIONS

November 3rd, 1954
Goldsboro, N. C.

Christ must be supreme in all of our missionary endeaver, for missions first found expression in the heart of God. He looked upon His creation and found that His created had gone astray like sheep having no shepherd.

Then God gave His only begotten Son to come into this world and provide the way of salvation from the sins into which His created had fallen. When Jesus completed His plan of salvation, He gave specific command to His disciples to: "Go into all the world and preach the gospel, that is the good news of salvation, to make disciples of all nations, to baptise them and to teach them to observe all things whatsoever He had commanded. And as a means of encouragement, He said: "And lo I am with you always . . . ."

The Christian people living in the area of what we know as the territory comprising the Neuse Baptist Association, seem to have been slow to accept the New Testament plan of missions. At the result, this area has not had its share of our Baptist churchs. For example, for many years Kinston had only ONE Baptist Church as we know them. Pink Hill has no Baptist Church yet. And until recent years, Goldsboro had only three Baptist Churches in it. There still are too many neglected areas in our association. Some of our churches are up and on the march; they are doing great things in Christ's kingdom. But there are too many of our old Baptist churches that have little and totally inadequate mission programs. Our churches must make Christ supreme in the total church program for these neglected areas are waiting and will continue to wait until our present churches become more mission-minded.

It is heartening to remember that three new churches have been organized in our association during the last twelve months and that those churches have been received into the full fellowship of our association today. These churches are: Deep Run, Madison Ave., in Goldsboro, and Trinity. About two years ago the Glen Raven and Spilman Memorial Churches were organized in Kinston. Some three or four years ago the Calvary Church in Goldsboro and the Pikeville Church in Pikeville were organized. So you see the mission work is beginning to take hold of our people.

But there is another phase of missions in which we must put Christ supremely in the center—I speak of a Christ-centered mission program in every Baptist Church in our association. Every one of our churches ought to make up a budget comparable to the: "Good Financial Church Plan," which I have shown and discussed with many of you in your church. Christ is at the center of that financial plan and I seriously doubt if any of us could improve on it. So my plee to you is this: let us make our present churches more mission-minded and then we will be better able to organize more Missionary Baptist Churches in our part of this state and take it for Christ.

It is not enough to say a thing ought to be done; we need to find the way to do it. I suggest three books: First take the New Testament plan for your life and the program of your church. Second, get Dr. J. L. Corzine's new book entitled "Teaching To Win And Develop." Soulwinning and teaching go together. God commanded it that way. This book uniquely fits into the Great Commission which says: "Go win them, baptize them and teach them to observe all things what so ever I have commanded you." It is one thing to win a person to Christ and a vastly different thing to help that one to become a good steward of God. The other book to which I refer you is the book entitled: "Studies In Hebrews," by Dr. H. H. Hobbs to be used in our churches in January 3 to 7, 1955.

Certainly the field of the Neuse Baptist Association is white unto harvest. God has commanded that we go and gather the fruit. We are not only to gather it but we are to preserve it with the preserving qualities of a good, application of New Testament teachings of the Christian way of life. We are to be doers of the word and not hearers only.

Who knows but that thou hast come unto the kingdom for such a time as this? That we face a great need for strong, missionary-minded Baptist, no one can deny. That we are all here and that we need to cope with the situation, we will all agree. Now, can we pool our interest and develop a greater concern for a greater mis-

sionary work in this association is the big question? I believe we can; it will take effort, patience and time but the need demands that we do our best.

I trust you people who represent the churches of the Neuse Baptist Association are pleased with the work of your Associational Missionary this past year. It has been a joy to work with you. I hope this Associational Missionary work has become a permanent fixture with you and that I may be with you for many years. I like my work and I like you. Therefore, if any of you have some land that you believe would make a suitable place for the building of an Associational Missionary Home—and are willing to give the lot to the Neuse Baptist Association—please discuss the matter with Rev. Gilmer Cross or me. You are paying $600.00 a year for my apartment; that money should be going as payments on a home. Think it over; pray about it. This matter too is a part of our over all mission program.

42. E. L. Spivey, our State Mission Secretary, brought the closing Address on the Theme CHRIST SUPREME IN WORLD MISSIONS.

43. The newly elected Officers were presented in an Installation Service as E. L. Spivey led the closing prayer.

44. With this spiritual emphasis THE TWENTY-THIRD ANNUAL SESSION OF THE NEUSE BAPTIST ASSOCIATION became history.

(b). Each church with a membership of not more than 100 shall be entitled to five messengers. Churches having more than 100 shall be entitled to an additional messenger for every additional 100 members or a major fraction thereof, provided that no church shall have more than 12 messengers.

(2). It shall be the purpose of this Association to "Spread the gospel," at home, "and unto the uttermost part of the earth" (Acts 1:8), in conformity to The Holy Scriptures, and in cooperation with the agencies and institutions of The Baptist State, and Southern Baptist Conventions.

(3). Officers of this Association shall be Moderator, Vice-Moderator, Clerk, Treasurer (or Clerk-Treasurer) Training Union Director, Men's Brotherhood Director, Christian Education Representative, Hospital Representative, Home for Aging Representative, Orphanage Representative, Youth Director, Civic Righteousness Leader, Biblical Recorder Representative, Superintendent of Sunday Schools, Superintendent of W.M.U., Chairman of Committee on Evangelism, Chairman of Builder's Club, and Chairman of Committee on Associational Missions.

(a) The Neuse Baptist Association shall elect at least three members to serve as Trustees. Their term of office shall be for three years with one-third of the number elected each year. Vacancies may be filled by executive committee at any time with the one elected filling out the unexpired term of the one whose

vacancy is being filled. Having served as a Trustee during a previous term will not disqualify a member for re-election.

The Trustees shall, as provided by law and the action of the association hold in trust the title to all property of the association and shall represent the association in all matters of legal responsibility regarding the purchase, improvement and disposal of associational property. They shall execute all legal papers relating to the association and to the community as the association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the association or executive committee authorizing such action.

TIME, PLACES and PREACHERS COMMITTEE—Roy Beals, chairman, M A. Shaver and Ray Jones.

RESOLUTIONS COMMITTEE— Earl H. Parker, chairman, Mrs. B. W. Spilman and Johnny Mewborn.

8. At this time the Moderator's Message was heard as Gilmer H. Cross addressed the body. He reviewed the work of the Association of recent years, the year just passed, and challenged Neuse Baptist to be alert to the future. This was a new feature in our Association, but one that was well received by those present.

9. Ed Ulrich, Jr., Secretary of the Executive Committee, gave as a matter of information a Report on the meetings of this committee during the year. The report follows:

REPORT OF THE EXECUTIVE COMMITTEE

We submit the following as an account of our stewardship for the past year.

The Committee has received and approved either directly or through the Missions Committee applications for State Mission aid for pastor's salary from some of our churches, and has arranged for aid on our Missionary's salary.

The committee has received, examined, and voted upon requests by churches for aid from the Neuse Builders Club. Three requests were granted, those of Rosewood, Cabin and Pikeville Baptist Churches.

The annual budget of the Association was prepared and approved for recommendation to the Association.

Regular reports were received from the Associational Treasurer, and from other officers of the Association.

The committee cooperated with Bro. Roy Beals, the chairman of Evangelism for the Association, in planning and carrying out the Evangelistic Crusade last spring. The committee heard Dr. Bruce Whitaker who was invited to lead the Crusade in the Neuse.

The committee has given careful study to the advisability of having Trustees for the Association, and recommends a Constitutional amendment to provide for the same. It is also recommending changes in the By-Laws of the Builders Club, and the establishment of an Association Ordaining Council.

In the field of Associational Missions, the committee has studied and directed a survey of Pink Hill and other sites in the Association as possibilities for Baptist Churches. It has directed the Missionary in making available to the Churches an Association-wide School of Missions in the year 1957. Investigation was made as to the possible site of a permanent Missionary Home, when and if the Association goes into this matter. It has given encouragement to the continuing of services at Hopewell Baptist Church. These services have been conducted monthly under the leadership of Bro. Early and Missionary Starling. A series of Revival services was also held there, with the brethern of the Association giving their time, freely.

There were also many items of routine business, not here mentioned.

The report was adopted as information received.

The full Constitution of this Club was printed in 1954. It will not be printed each year, but periodically.

13. The next order was a Business Session. The Committee on Registration reported that up to that time 130 had registered including 12 pastors and more than 50 messengers. Pastor Early of the host church announced that at the proper time lunch would be served to all.

14. The report on CONSTITUTIONAL CHANGES was before us. The changes as adopted upon the first reading were as follows:

The Neuse Baptist Association shall elect at least three members to serve as Trustees. Their term of office shall be for three years with one-third of the number elected each year. Vacancies may be filled by Executive Committee at any time with the one elected filling out the unexpired term of the one whose vacancy is being filled. Having served as a Trustee during a previous term will not disqualify a member for re-election.

The Trustee shall, as provided by law and the action of the As-

sociation hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement and disposal of Associational property. They shall execute all legal papers relating to the Association and to the community as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association or Ex. Comm. authorizing such action.

Upon acceptance of the above, The MISSIONS COMMITTEE also recommends the following, as an amendment, The vote was favorable.

That a Sunday be called Associational Day in our churches and that we ask the churches to take a Love Offering for the Associational work. The funds shall be used to help purchase lots in new areas, or for the use of providing a home for the Associational Missionary. Trustees of the Association shall hold such property. Each church would be allowed to designate their gifts. Therefore you could give to the fund for lots, or the fund for an Associational Missionary's home.

The executive committee shall set the date for the offering.
NOTE: The date for the above offering was established by the Ex. Comm. as The fourth Sunday in January.

2. There shall be an ORDINATION COMMITTEE composed of five members. It shall serve in an advisory capacity only. This committee shall assist such churches as call for their aid in examining such candidates for the Gospel Ministry, and make recommendations as they feel led, to the the ministry as are brought before them, as to their call and fitness for church of which he is a member, concerning his ordination .If there is need they may help plan and arrange for the proper service of ordination. The Committee shall be named by the Executive Committee of the Association, and be responsible to such Committee.

3. The Association shall have a two day annual session, falling on Wednesday and Thursday after the First Sunday in November.

4. Article 13 of the present Constitution shall be changed to read—following the phrase "has been read" **on successive days of the same Annual Session,** and receives. . . .
The above changes appear in the Constitution printed in this Minute.

15. Ralph Cannon was in charge of the Worship Hour. The congregation sang "The Church's One Foundation." Roy Beals the alternate preacher, read Matthew 16:13-24, and offered prayer Mrs. George M. Johnson, soloist of the First Baptist Church of Goldsboro, sang "Sun of My Soul, Thou Saviour Dear" accomp-

anied by Miss Ellen Sprinkle of the same church. Using as his text "I will build my church" Mr. Cannon preached on the theme: THE CHURCH AND KINGDOM EXPANSION.

16. John E. Lanier of Rocky Mount pronounced the Benediction and offered Grace for the table.

WEDNESDAY AFTERNOON SESSION

17. The Afternoon Session convened with the singing of the Hymn "He Leadeth Me". For the Devotional period Brightie E. White, Jr. read Matthew 13:31-33, and led in prayer.

18. Harry Shumate Sr. gave a brief resume of the work of the Brotherhood in our Association. No written report was submitted.

19. The report on Training Union Work was read by Director Ralph Cannon. The report which was adopted follows:

TRAINING UNION REPORT

The Baptist Training Union in Neuse Association made some progress in 1955. We have three churches reporting new Training Unions. Our enrollment has increased from 1157 to 1742. We now have Unions in 18 of our 29 churches. We have had four quarterly meetings, reaching a total of 339 on "M" Night 1954.

With our fine slate of officers, we are looking forward to "M" Night, December 5th, and the new years work.

I wish to thank the pastors and the faithful laymen for their unstinted cooperation during the past year.

20. The time for Sunday School work was moved to the next day in order to give time for the second reading and vote on the proposed Constitutional changes. Each change as quoted above in paragraph 14 was read a second time, freely discussed and passed by the required two-thirds majority of the Messengers present. They are now a part of the Constitution as amended at the 1955 Session and printed in this Minute.

21. Dr. M. A. Huggins, General Secretary and Treasurer of

the Baptist State Convention of North Carolina addressed the body on the subject—Kingdom Expansion through Baptist Cooperation.

22. The Appointee to bring the Report on Temperance and Christian Morals was not present. W. P. Biggerstaff of the Allied Church League gave some pertinent facts on present conditions in our state and nation. He also reminded us that in the recent past the City of High Point had voted down ABC stores by a vote of 2 to 1, and that Henderson County had voted out beer and wine by a vote of 4 to 1. 49 counties have voted out beer and wine since local option was granted in 1948.

23. The final matter to come before us for the day was that of Christian Literature. Mrs. F. T. Jones spoke a few words on the subject and introduced C. W. Bazemore of the Biblical Recorder who spoke on "Christian Literature vs. Secular Literature".

24. The Session adjourned at 3:00 to meet with the Kennedy Home Church the next morning at 10:00. Earl Parker led the closing prayer.

THURSDAY MORNING, NOVEMBER 10th

25. The second day of the Annual Session was held in the beautiful house of Worship of the Kennedy Home Baptist Church. In so far as available records show, this is the first time that the Neuse Association has had a two full day Annual Session. In recent years the Neuse has had a night Session, followed by a day Session. In other years there was only a one day Annual Session.

26. Moderator Cross called the Session to order at 10:00. After the singing of "O Zion, Haste" Earl Parker conducted by Morning Devotions, reading Romans 12:1-9 and leading in prayer.

27. Host pastor R. F. Smith welcomed us to the church and to the convenience of the house and grounds.

28. C. H. Trueblood read the following report on Homes For The Aging. J. M. Hayes of Winston-Salem discussed the report. It was adopted.

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR AGING

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16 1955. This has been a year of encouraging progress. Both Homes, Resthaven and Albemarle, have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing $300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the vaule of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year, our Special Day Offering has reached almost $70,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be nearly reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

All connected with the Homes, staff and residents, are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

29. The Report on Christian Education was read by Ray Jones. Claude Gaddy, who was to speak to the Report was not present. Oscar Creech and D. W. Amburn brought greetings from Chowan and Campbell Colleges, respectively. The report was adopted.

CHRISTIAN EDUCATION 1955

Why do Baptists consider it necessary to operate Theological Seminaries and Colleges? Throughout their history they have supported these colleges and seminaries along with their orphanages, hospitals, homes for the aging, state missions activities, home missions, and foreign missions; and it is perfectly reasonable for us to pause from time to time and demand that we answer these questions about what we are doing.

We have five southern Baptist Theological Seminaries, we aid the American Baptist Seminary for Negroes in Nashville, Tennessee; and the Carver School of Missions and Social Work. These seven institutions had a total enrollment of 5,782 young people last year studying various phases of full time Christian service, including 3,826 ministers and 810 mission volunteers.

Southern Baptist—propose to give in this Convention Year 1955, to these seven intitution from their cooperative funds $3,095,225.96.

In our Southern Baptist territory, there are in operation 30 senior colleges, 21 junior colleges, eight academies and four Bible Schools with a a total enrollment last year of 53,457. Of these there were 6,628 ministerial students and 2,011 mission volunteers.

Here in North Carolina, we have seven Baptist Colleges with a total enrollment of 6,000, 750 of whom are training for the ministry and full time mission service. All of these ar in building and expanison programs trying to provide for the ever increasing number of students wanting to attend Baptist Colleges.

We wrote letters to 27 of the 29 churches in our associaiton requesting the name, field of study, and college that the young people from the various churches were attending. We received replies from 13. From that 13 we have a total of 75 people in college, 27 of those are in Baptist schools, and 15 of that 27 are studying for full time Christian service.

Why do Baptist provide seminaries and colleges for the training of their leaders? Answers to this question are many and varied. Perhaps the most reasonable and logical answer is to be found in that basic Baptist principle of the competency of the individual to seek and to know the Will of God for his life. We believe that God's will for a man's life will be revealed in a study and understanding of the Bible, and we believe that Christian education will help one to find the truth in God's Word.

30. The report on Caring for the Sick was ably presented by Miss Marritta Hoggard and W. K. McGee of the Baptist Hospital. The following report was adopted.

KINGDOM EXPANSION THROUGH CARING FOR SICK

We have expanded $200.00 in our gifts for caring for the sick in the past year, but I don't think that has been our greatest growth. The fact that every church in our Association has had a part in this, one of our most worthy phases of Missionary Baptist work, does mean growth for us. We have long been called The Little Neuse, and it does mean expansion in the Kingdom's work.

A few weeks ago Dr. McGee wrote me that the Neuse Association was 100 per cent in its Mother's Day offerings. At that time we were the second in the state to make this record this year. We hope many others have reached it by this time.

We are certainly proud of this record we have attained this year. Thank you for making it possible. We appreciate the splendid cooperation of all the pastors and the people in all the twenty-nine churches. Especially do we thank Mr. Starling whose efforts were so much help.

Now, let's be sure that we don't grow weary in well doing. Let's keep the fine record we've made and do let's increase our gifts wherever we can so that more sick people, who only have the Baptist people of North Carolina to look to for help, may be blessed.

In Matthew 4:23-24, we read, "Jesus went about all Galilee teaching and preaching the gospel of the Kingdom and healing all manner of sickness and diseases among the people, and his fame went throug out all Syria and they brought unto Him all sick people and He healed them."

Jesus made healing sick bodies an important part of His ministry. Let us follow His example. By so doing we will not only keep the record we've made; we will continue to grow and expand in the work of the Kingdom of God in the Neuse Association.

31. The Sunday School Report having been changed in the Order of Business, was heard at this time. The following report was submitted by the superintendent and adopted.

REPORT OF SUNDAY SCHOOL

We are happy to report that this has been another year of progress under God's blessing in the Sunday Schools of the Neuse Association. We are happy to report to the Association that Sunday School enrollment is now 6,573 as compared with 6,128 a year ago, making a net gain of 445. Seventeen Sunday Schools in our Association reported a gain in enrollment, the balance reported a loss. There are now Sunday Schools in all but one of our churches and there is in addition one mission Sunday School. We call special attention to the fact that again our Sunday School enrollment greater than our church membership. This must be increasingly so from year to year if our ratio of baptisms to church membership reaches the

goal of one to eight. Our present ratio is one to nineteen which is in line with our ratio of Sunday School enrollment to church membership.

This year all but two of our churches reported Vacation Bible Schools, but the enrollment was only 2,364 as compared with 2,417 last year.

The fifth Sunday Sunday School rallies were continued this year and were well attended.

Again this fall an association wide teacher training program was instituted with five schools held simultaneously in various sections of the Association. The total enrollment was 350 and 200 applied for awards.

The following recommendations are submitted for your approval:

1. That we adopt for the coming year a goal of 10% increase in Sunday School enrollment.
2. That we seek to have 500 earning Sunday School training awards.
3. That the Association wide Teacher Training Clinics be continued.
4. That the churches be asked to cooperate in a Sunday School enlargement campaign in the event such can be arranged.
5. That we set a goal of 2 Standard Sunday Schools in the Association.
6. A goal of every church having Sunday School and Vacation Bible School.

Respectfully submitted,

Ed Ulrich, Jr.
Assn. Sunday School Supt.

32. The Hymn "Jesus Shall Reign" was sung, and this was followed by a Business Session.

33. The report of the NOMINATING COMMITTEE was read by chairman Ed F. Mathis. This report as adopted is carried in the front of the Minutes as the ASSOCIATIONAL DIRECTORY.

34. Earl Parker read the following as the report of his Committee on Resolutions:

38. It was moved and passed that the Minutes of the Annual Associational W. M. U. be carried as a part of this Minute.

39. B. L. Davis read a report from the American Bible Society in which we were reminded that Southern Baptist had given more than $112,000.00 last year to help the Bible Society in printing and distributing 15 million volumes of Scriptures in 1954. His personal appeal is as follows.

May I appeal to every church member, every Sunday School superintendent and every pastor of each Baptist Church in the Neuse Association to go back to your church and lead it in taking a special offering as a gift for the American Bible Society. In this way we can help to expand the Kingdom's work by helping to make the Scriptures available to every man in his own language.

Mr. Moderator, I submit this report and move that it become a part of the minutes of this meeting.

B. L. Davis

ANNUAL REPORT of the BAPTIST ORPHANAGE of NORTH CAROLINA
to
THE NEUSE ASSOCIATION

Your program of child care has moved forward during the past year. We have operated your Children's Homes to make conditions as nearly like a normal home as possible.

During the year we cared for 713 children and helped some more than 600 other children.

The CHARITY AND CHILDREN continues to reach many homes. It carries a mesage to 47,000 homes today.

The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. We were to receive that part of our support not otherwise provided for. Our income this year through the Cooperative Program will probably be about $60,000.00

Our future expansion of your child care program will depend upon the Thanksgiving offering. Every church is urged to promote a worthy "Thank Offering" this year. "One Day's Pay" will help the host of dependent children who cannot help themselves.

The greatness of any people is measured in terms of the care, the training, and the religious attitude it gives to its children. Baptist must continue to minister to the needs of the dependent if we are to hear from our Saviour the words, "Well Done, thou faithful servants."

We must all realize that the Kingdom expansion through the Children's Homes depends upon the care and the training of the dependent children in our Homes. We never have, we never will fail to care for our children.

46. Associational Missionary H. R. Starling gave a report of his work for the year, and revealed some of his hopes and plans for the future.

47. Roy Beals, superintendent of Evangelism for the Association, submitted the following report which was adopted. M. Ray McKay, of the Southeastern Seminary Faculty, addressed the body on the Theme: The Conservation of Evangelistic Gains.

KINGDOM EXTENSION THROUGH EVANGELISM

There is only one way into the kingdom and that is through the new birth. Jesus' farewell request was for Kingdom Extension. The great Commission, "Go ye and make disciples." Go and extend the kingdom; the kingdom is extended when souls are born again.

Southern Baptists have found the best way to make "disciples" is through evangelism. The churches in the Neuse Association practice this method and this year all twenty-nine of our churches held revival services. The total additions by baptism from 23 churches were 327.

Our hope is to continue evangelism in our local churches and help extend the kingdom until Jesus comes.

48. F. T. Jones prepared the following Memorial Service. The list of those passing away this year will be found on the Obituary Page.

IN LOVING MEMORY OF OUR DEPARTED

Blessed are the dead who die in the Lord, they rest from their labors and their works do follow them. Rev. 14;13.

The home-going of a child of God should be a time of rejoicing. No longer are they subject to the trials and hardships of life but are entered into eternity in the presence of our God. They shall now be rewarded as they have sown.

49. Adjournment with prayer came at 3:00.

CONSTITUTION OF THE NEUSE BAPTIST ASSOCIATION

(1) This body shall be known as "The Neuse Baptist Association."

(a) Membership in this body shall consist of all Missionary Baptist pastors and ordained ministers in the Association, and all messengers elected or appointed by their respective churches.

(b) Each church with a membership of not more than 100 shall be entitle to five messengers. Churches having more than 100 shall be entitled to an additional messenger for every additional 100 members or a major fraction thereof, provided that no church shall have more than 12 messengers.

(2) It shall be the purpose of this Association to "Spread the gospel," at home, "And unto the uttermost part of the Earth" (Acts 1:8), in conformity to The Holy Scriptures, and in cooperation with the agencies and institutions of The Baptist State, and Southern Bapist Conventions.

(3) Officers of this Association shall be Moderator, Vice-Moderator, Clerk, Treasurer (or Clerk-Treasurer), Training Union Director, Men's Brotherhood Director, Christian Education Representative, Hospital Representative, Home for Aging Representative, Orphanage Representative, Youth Director, Civic Righteousness Leader, Biblical Recorder Representative, Superintendent of Sunday Schools, Superintendent of W. M. U., Chairman of Committee on Evangelism, Chairman of Builder's Club, and Chairman of Committee on Associational Missions.

(a) The Neuse Baptist Association shall elect at least three members to serve as Trustees. Their term of office shall be for three years with one-third of the number elected each year. Vacancies may be filled by executive committee at any time with the one elected filling out the unexpired term of the one whose vacancy is being filled. Having served as a Trustee a previous term will not disqualify a member for re-election.

The Trustees shall, as provided by law and the action of the association hold in trust the title to all property of the association and shall represent the association in all matters of legal responsibility regarding the purchase, improvement and disposal of associational property. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the association or executive committee authorizing such action.

(b) That a Sunday be called "Associational Day" in our churches and that we ask the churches to take a love offering for the Associational work. The funds shall be used to help purchase church building lots; or provide facilities in which to begin the work, such as rentals, etc., or for the use of providing a home for the Association Missionary. Trustees of the Association shall hold such property. Each church would be allowed to designate their gifts. Therefore you could give to the fund for lots, or the fund for an associational missionary's home.

The Executive Committee shall set the date for the offering.

NOTE: The date for the above offering, was established by the Executive Committee as the 4th Sunday in January annually, or the nearest convenient date.

(c) There shall be an ORDINATION COMMITTEE composed of five members. It shall serve in an advisory capacity only. This committee shall assist such churches as call for their aid in examining such candidates for the ministry as are brought before them, as to their call and fitness for the Gospel Ministry, and make recommendations as they feel led, to the church of which he is a member, concerning his ordination. If there is need they may help plan and arrange for the proper service of ordination. The Committee shall be named by the Executive Committee of the Association, and be responsible to such Committee.

(4) The Moderator shall preside and conduct the proceedings of the Association in accordance with the Constitution, and maintain order and decorum as set forth in Kerfoot's Parliamentary Law. Moderator, and Vice Moderator shall not succeed themselves in office more than two successive years.

(5) In the absence of the Moderator, the Vice Moderator shall preside over the associational meetings, and discharge the duties of the Moderator.

(6) The Treasurer, or Clerk-Treasurer, shall receive all funds sent to the Association by churches, and all funds collected during the session. He shall pay out the same as designated by donor, or as ordered by the Association, and shall make a report each year.

(7) The Clerk, or Clerk-Treasurer, shall record the proceedings, and publish and distribute the Annual Minutes. He shall supply the churches with blank letters for their annual reports to the Association. He shall receive from the Minute Fund $50.00 for his services, and $10.00 for contingent expenses.

(8) The Program Committee shall be composed of the Moderator, Vice-Moderator, Clerk-Treasurer, Representative of the W. M. U., Associational Missionary, and the host pastor, or pastors.

(9) The Executive Committee shall consist of all officers of the Association, all active pastors, one member from each church with a membership of 500 or less, and two members from each church having over 500 members. Each church will nominate her own member, or members, to the Executive Committee, and the Association shall ratify those nominated at the Annual Meeting. The Executive Committee shall also ratify any nominee for vacancies which occur and are filled, between the Annual Meetings.

(a) The Executive Committee shall meet as early as possible after the Annual Meeting, and organize with proper officers and committees to best carry on the work of the Association.

(b) Duties of the Executive Committee shall be to conduct the business of the Association between its annual sessions; to cooperate with the general work fostered by the Baptist State, and Southern Baptist Conventions; to make personal investigations of all churches applying for aid from our Baptist State Mission Board, and to help any church, or group of churches, in arranging a proper financial budget; to call any special meeting deemed necessary to advance the work of the Kingdom, and to promote harmony, doctrinal correctness, cooperation, and the general welfare of the churches composing the Association.

(c) Members of the Executive Committee shall be elected annually, and shall assume their duties at the close of the session at which they are elected, and shall serve throughout the ensuing year, closing with the adjournment of the regular session.

(d) Fifteen members of the Executive Committee shall constitute a quorum.

(10) Churches contemplating making debts for lots, buildings, or improvements, must first seek the approval of the Executive Committee if they expect to apply for aid from the Baptist State Mission, in paying for same.

(11) Each church Clerk is requested to provide the Associational Clerk with the annual church letter (Report) from his church as promptly as possible after the last Sunday in September.

(12) New churches, desiring to be received into the fellowship of the Association should subscribe to the Baptist principles and policies set forth in a suggested application form which may be secured from the Moderator of the Association.

RESOLUTIONS COMMITTEE: Waldo Early, Sr., Chairman; Mrs. Roy Beals; W. A. Smith.

7. Bringing the Moderator's message, Gilmer Cross spoke on the theme, "Empowered as Christians," and urged the Association to evangelize the Associational territory, warning against "fiddling while souls go to torment."

8. Ed Ulrich, Jr., secretary, gave the following report on the actions of the Executive Committee during the year:

REPORT OF THE EXECUTIVE COMMITTEE

The executive committee of your association consists of all the officers of the Association, all the active pastors and one member from each church of 500 or less members or two from each church of over 500 members. The committee carries on the work of the Association between meeting of the Association.

The following is a brief report of some of the work the executive committee carried on for the Association this year. In its first meeting following the meeting of the Association the committee organized itself with the following officers: chairman, Rev. Gilmer Cross; vice chairman, Rev. Earl Parker; clerk, Rev. Ed Uldich; assistant clerk, Rev. Waldo Early, Sr.

The Executive Committee has received and approved requests for State mission aid for five of our churches or missions and for our Missionary's salary. The Committee has also received and examined requests for Builders' Club funds and has granted them as the churches complied with Builders' Club regulations and the funds were available. Grants have been given to Mt. Nelson and Pikeville churches this year.

The annual budget was prepared and approved for recommendation to the Association. Regular reports were received from the Association treasurer. In this connection, one of the problems of the committee has been how to adequately get before our people the needs of association missions. The treasurer's report has revealed that the income is not sufficient for the needs of the association mission program, and were it not for a surplus, accumulated when we were without a missionary, this program would have to have been discontinued. Of grave concern is the fact that the surplus is practically gone. The Executive Committee has sent the information to the churches with suggested goals for the coming year.

The Committee has worked with the Sunday School and Training Union Departments of the Association in carrying out their work.

An ordination counsel has been provided by the Committee. The Committee has arranged for Association Mission Sunday in January. It has been hoped that much would be provided through this one Sunday offering for the purchase of church lots in needy areas. So far, the income is far short of the need.

This report will not go into detail on much of the associational mission work as this will be presented by our Misionary.

Another item of concern by the Committee has been the problem of a home for our Associational Missionary. Much preliminary study has been given to this matter. Methods of financing have been investigated, but little more can be accomplished until the Association is ready to provide funds for the project.

The Executive Committee has approved and recommended for adoption several constitution amendments.

As the year comes to a close, two things impress themselves upon us; a great need for all of the churches of the Association having an Executive Committee member to attend these meetings and to report to the churches the work of the Association. and a greater undergirding of the mission work of the Association by prayer and financial support from all the churches of the Association.

Many opportunities of reaching souls for the Lord Jesus Christ are pressing themselves upon us. We must find the means to answer the calls and to reach every corner of our Asesociation with the Gospel of Christ.

9. The Missions Committee reported as follows:

a. The request of the newly organized Immanual Baptist Church, Kinston, for affiliation in and with the Neuse Baptist Association, was recommended. Discontinuation of the defunct Hopewell Church was also recommended. Both recommendations were accepted.

b. The first reading of proposed constitutional changes was heard at this time since they pertained largely to the work of the missions committee.

11. The report of the Builders Club was requested but was not given because it had not yet been audited.

12. The report on registration was heard. Registered were 104 persons including 58 messengers and 16 pastors. Pastor Dawkins of the host church announced the time and place for lunch and invited all to partake.

13. The Worship Hour. The congregation sang, "Onward, Christian Soldiers." Ed Ulrich, alternate preacher, read the scripture lesson, Matthew 28:9-20, and led in prayer. H. R. Starling was the preacher, urging that we utilize all our power—the might of Christ—in recognizing and meeting our responsibility to the lost in the territory of the Association. After the sermon, Mr. Starling gave the benediction and offered grace for the table.

WEDNESDAY AFTERNOON SESSION

14. With the congregation singing, "Rise Up, O Men of God," the afternoon session convened. Douglas Pruden read appropriate scripture and led in prayer.

15. H. R. Starling, Associational Missionary, reported as follows:

This is a brief report of Associational Missions for the year 1955-56. At the beginning of the year October 1, we had one mission sponsored by the Second Baptist Church in Goldsboro. Three other missions were organized during the year; Immanuel and Calvary in Kinston, starting January 1 and February 1, respectively, and sponsored by the First Baptist Church, Kinston; Brookside in Goldsboro started, March 1, and is sponsored by the First Baptist Church in Goldsboro.

Immanuel Mission is now an organized church with 80 members and 166 enrolled in Sunday School. The new church and the missions have about 575 enrolled in Sunday School and contributed about $5,000 to Kingdom causes during the year.

Other mission opportunities confront us, but work awaits our providing the necessary money. We hope to begin two new missions this year. There were 29 Vacation Bible Schools conducted in our Association last year; our heart is set on 30 for this year. We also hope to promote a vigorous Training Program in all our churches to train our workers to do a finer job in the local churches.

16. W. A. Smith reported on "Caring for Children." His report as adopted follows:

We are happy to report on our Baptist Children's Homes for the year. The highlights of the year are: (1) We received 824 applications.. (2) We were able to care for 137 of these dependent and needy children. (3) We were able to increase foster home care due to increase in the Thanksgiving offering.

SUPPORT. During the year we received about ten per cent of the income through the Cooperative Program. We note that each church makes its own decision as to placement of Children's Homes in their budget or take once a month offerings through their Sunday School. Let us remember that the income from church budgets, once a month offerings, and the Cooperative Program, is a fixed amount for each year. Then, we must remember that a greater Thanksgiving offering means more money to meet the needs for child care under our Baptist Program. Surely we shall make a greater Thanksgiving offering to help the needy and homeless child. There are more Baptists, the income is higher, more money has been given to our total Baptist Program than ever before. As church leaders, let's go back to our local churches and give each Baptist a chance to do more about a greater Thanksgiving offering.

BUILDING PROGRAM. You will find a new church building and new parsonage at Kennedy Home. A contract will be let soon for a new boys' cottage and a swimming pool at Kennedy Home. Remember, all buildings are erected with special gifts or bequests.

CHARITY AND CHILDREN. This paper is making a great contribution to our Baptist Program. More than 51,000 copies are mailed each week. We can certainly learn more about some phase of our Baptist Program through this publication.

17. The report on evangelism by Roy Beals, who stressed that there are no good fruits except in making others Christians, was adopted as given below:

With gratitude to God we report that every church in the Neuse Association held a revival meeting this year. 355 baptisms were reported for the Association year by 28 churches.

Our State Convention was second in total baptisms for 1955 and expects to grow in this regard through the employment of Dr. Julian Hopkins as its first full-time secretary of evangelism. We plan to co-operate fully with Dr. Hopkins and hope that our Association will stand first in baptisms per church in North Carolina.

Christ commanded "Go, make disciples of all the nations." The stronger the Association is in evangelism, the greater possibilities of reaching the state, the nation, and the world for Christ will be .

The simultaneous effort in evangelism has proved the most effective way of reaching people for Christ and the Church. It is our desire in the Neuse Association to hold a simultaneous crusade as soon as possible. It is our earnest prayer that every church will co-operate with this effort.

18. With Samuel Bagby stressing the spiritual atmosphere at the Baptist Hospital, Miss Marietta Hoggard gave the following report on the hospital which was adopted:

We do not have a complete report on what the Neuse Association gave to our hospital last year. We hope that we gave no less than in 1955 when every church gave a Mother's Day offering to the Baptist Hospital. Surely not one of our Churches would put their hands to the plow and then turn back.

Then ministry of healing was taught and practiced by Jesus while He was on earth. He did not fail to reach out, touch and heal the poor and needy. The Baptist Hospital is an open door of opportunity for each of us to follow the example of Jesus. Many are suffering and waiting.

May I appeal to every church, every pastor in the Neuse Association to make a worthy offering to our Hospital each year on Mother's Day.

You and I and other North Carolina Baptists are entrusted to keep our Hospital " Empowered for Good Works." May we be faithful to our trust

19. Mrs. L. O. Hayes reporting on our Homes for the Aging pointed out that they are anterooms to heaven and though for

the oldest of us are the youngest institutions we have. Zeb Caudle, superintendent of the Albemarle Home, spoke and stressed that the purpose of the homes is to add life to years.

20. C. H. Bazemroe ,substituting for E. L. Spivey, spoke on State Missions. Using John 4:35 as his text, he pointed out that Christ gave a new institution—the church, a new day—the Lord's day, new ordinances—baptism and the Lord's Supper, and a new task—evangelism.

21. Gilmer Cross adjourned the session with prayer.

THURSDAY MORNING, NOVEMBER 8

22. Moderator Cross called the Session to order in the Fremont Missionary Baptist Church at 10:00 a. m. The congregation sang, "Breathe on Me, Breath of God." Norman Arant read Acts 6:7-15 and led in prayer.

23. Host pastor Earl Parker welcomed the Association to the church and its facilities.

24. Harry Shumate read the following report on the Brotherhood. It was adpoted.

A detailed report on our Brotherhood would not be encouraging. I believe that the cause of Christ is greatly suffering in our Association because our laymen are not taking a more active part in our overall Baptist endeavors on an association as well as on a state level.

From personal observations at Associational, Regional, and State meetings, I have found in the past three years that our churches are poorly represented: at Associational meetings, 75% not represented; at Regional meetings, 90% not represented; at State meetings, 94% not represented.

I believe that our pastors are rendering many services today in our overall Baptist work that should be rendered by our laymen and must be, if we Baptists are to progress as we should in the Neuse Asseociation.

I believe that there is a positive answer to this situation, we should face the facts and find it, for it would mean much for the cause of Christ and our churches in the Neuse Baptist Association.

25. The following report submitted by Brightie White, Jr., on the Training Union was adopted:

During last year 13 of our churches have been lighted up on Sunday night by a Training Union. The combined enrollment of these Training Unions is 984 with an average attendance of 544. A new Training Union has been started in Snow Hill. Associational meetings during the year consisted of rallies, M Night, and elimination contests as well as Associational Officers' Councils.

26. The report on the Sunday School as made by Bill Shockley and given below was adopted:

This has been a year of progress in Neuse Association Sunday Schools! Through Divine guidance and blessing there hase been advancement in all areas, but the human element has made this advancement less than it could and should have been.

As the year closed, we had 32 Sunday Schools (each church and mission station having one); a gain of three over last yera. The total enrollment is over 7,200 or a net gain of about 550 over last year. Sunday School enrollment still exceeds church membership, a good sign of health and evangelistic opportunity.

Spurred by an Association-wide clinic in Goldsboro under the direction of Rev. Ed Boyd, 29 Vacation Bible Schools were held with an enrollment of 2673.

Two Teacher-Training Clinics under the leadership and direction of Rev. Ed Ulrich were held in the last week in September in Kinston and Goldsboro. The response was very encouraging.

Fifth-Sunday Sunday School meetings, emphasizing the age-group conferences, were held. The success of these conferences belongs to the age-group superintendents.

An Association Sunday School Enlargement Campaign is being planned and is scheduled for November 16-22, 1957.

Goals for 1956-57 are: (1) 10% increase in enrollment and attendance, (2) the earning of 500 Sunday School training awards, (3) three new mission Sunday School, (4) every Sunday School participating in January Bible Study and (5) every Sunday School conducting a Vacation Bible School.

27. John Mewborn gave his time for "Temporance and Christian Morals" to W. P. Biggerstaff, who pointed out the cancerous effect of the use of alcoholic beverages upon life in North Carolina and urged promotion by the churches of the proposed statewide referendum on alcoholic beverages.

28. The report on Christian literature was read by Waldo Early, Sr., for Mrs. Talton Jones and was adopted:

Innumerable papers, magazines, and other printed materials are on sale at every news stand. Much of this literature contains whiskey advertisements and other subtle and damaging insinuations. Therefore it behooves each parent to subscribe to and bring into the home only proper literature. Each Christian parent should include our church periodicals in their subscriptions. Our weekly papers, "The Biblical Recorder" and "Charity and Children," our monthly magazine, "Home Life," and our various missionary magazines should be a "must" in each Baptist home in our Association.

Each church in our Association should have a designated medium thru which Christian literature can be put into the hands of its members. Also, members should be encouraged to use our excellent Baptist Book Stores to obtain good wholesome books and other Christian literature.

29. During the business period the following items were accomplished:

a. Howard Dawkins reported for the nominating committee, and its nominees were elected by the Association as officers for 1956-57 and are listed in the front of the Minutes.

b. The report of the resolutions committee was read by Waldo Early, Sr., and adopted by the Association:

Be it resolved:

We, the Neuse Association of Baptists in North Carolina, express our deepest appreciation for the hospitality felicitation, and friendship extended by the First Baptist Church, Kinston, and the Fremont Missionary Baptist Church.

We, also, wish to extend our thanks for the entertainment at the meal time, and the fine manner in whcih adequate provision was made for all of our needs and comfort. Also, we are appreciative of all members who served faithfully as registrars, ushers, and receptionists.

We, also, wish to express our thanks to the moderator, Rev. Gilmer Cross, the clerk, Rev. Earl Parker; and the Program Committee for the splendid orderly administration of the program and the spirit which has been manifested throughout the session.

Also, we wish to express our appreciation to our treasurer, Rev. Waldo Early, Sr., for his faithful service and to our missionary, Rev. H. R. Starling for another year of work well done for our Master.

c. Proposed constitutional changes were read the second time and adopted. The changes made were in articles (3) (b) and (14). The constitution has been so modified in these Minutes.

d. The Time, Place and Preacher report was made by Roy Beals and was adopted as follows:

TIME: November 6th and 7th
PLACE: First Day—Madison Avenue
Second Day—LaGrange, First
PREACHER: E. R. Boyd
ALTERNATE: Waldo Early, Jr.

e. The organization of the Immanuel Baptist Church, Kinston, was announced, and it was admitted into the Association.

30. For Dr. Jack Horn, Gilmer Cross recognized Dr. C. Sylvester Greene, vice-president of Wake Forest College, who pointed out that our Baptist colleges are at capacity enrollement and are distinctively Christian in origin and emphasis. Howard Dawkins introduced Ben Fisher of Southeastern Seminary, who stressed that the why and wherefore of Christian education are as important as the how.

THURSDAY AFTERNOON SESSION

31. The session convened with a song service led by J. O. Stroud. The congregation sang "He Leadeth Me," "Am I A Soldier of the Cross?" and "Is It Well with My Soul?" In the worship period that followed the congregation led by Mr. Stroud sang "Christ for the World We Sing." Mrs. Gilmer Cross read Ephesians 1 and led in prayer.

32. E. R. Boyd reported on the work of the American Bible Society. The reported as adopted is printed below:

The American Bible Society serves every form of Southern Baptist mission work around the world.

During 1955 the American Bible Society:

—helped to publish Bibles in Russia by giving to Russian Baptist leaedrs, mats from our printing plates, which the are using print 50,000 Russian Bibies.

—helped the Japan Bible Society publish the full Bible in Colloquial Japanese, the every-day language easily understood by all the people, thus opening the Book to millions of new readers and stimulating interest in Bible reading.

—distributed throughout the world almost 15 million volumes of Scriptures.

In 1955 Southern Baptists gave $115,631 to the Society, but greater gifts are needed to spread the Word around the world.

33. Howard Dawkins reported for the nominating committee, and the assembly elected the ordination committee as listed in front of the Minutes.

34. The Association voted to send a word of appreciation to the Reverend E. L. Parker, Rt. 1, Goldsboro, a former pastor in the Association, who was not physically able to attend the sessions. Mr. Parker gave long years of faithful service to the Association. The clerk was instructed to accomplish this desire of the assembly.

35. J. O. Stroud reported on church music. In a challenging talk he stressed that church music must be purposeful and that church musicians must be dedicated.

36. For Mrs. Fred Harrell, Gilmer Cross introduced Elmo Scoggins of Southeastern Seminary, who spoke on world missions. The address was forceful and refreshing, pointing out the moral and spiritual sickness in the world, the need for militancy on the part of the church, the lostness of the lost, the necessity of stewardship of the Word, and the availability of the power of God for Christian witnessing.

37. With feeling and sensitiveness F. T. Jones presented the following memorial service: (The names of the departed are given on the obituary page.)

It is appointed to man once to die. Until the Lord Jesus come again, each of us must pass thru the door of death into the Great Beyond. The Psalmist has said, "Yea tho I walk thru the valley of the shadow of death, . . Thou art with me." May we seek to so live that when we come to the end of life's journey we may say with the inspired apostle, "I have fought a good fight, I have finished my course, I have kept the faith." The author of the book of Hebrews represents the saints of old as watching over us. In like manner may we say that those whose memory we honor are interested in our efforts. May we resolve in our hearts that we will set such an example tat we would be willing for others to follow.

38. Moderator-elect Roy Beals adjourned the session with prayer.

Vacancies may be filled by executive committee at any time with the one elected filling out the unexpired term of the one whose vacancy is being filled. Having served as a Trustee a previous term will not disqualify a member for re-election.

The Trustees shall, as provided by law and the action of the association hold in trust the title to all property of the association and shall represent the association in all matters of legal responsibility regarding the purchase, improvement and disposal of associational property. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the association or executive committee authorizing such action.

(b) That a Sunday be called "Associational Day" in our churches and that we ask the churches to take a love offering for the Associational work. Trustees of the Association shall hold such property. Each church would be allowed to designate their gifts. Therefore you could give to the fund for lots, or the fund for an associational missionary's home.

The Executive Committee shall set the date for the offering.

(c) There shall be an ORDINATION COMMITTEE composed of five members. It shall serve in an advisory capacity only. This committee shall assist such churches as call for their aid in examining such candidates for the ministry as are brought before them, as to their call and fitness for the Gospel Ministry, and make recommendations as they feel led, to the church of which he is a member, concerning his ordination. If there is need they may help plan and arrange for the proper service of ordination. The Committee shall be named by the Executive Committee of the Association, and be responsible to such Committee.

(8) The Program Committee shall be composed of the Moderator, Vice-Moderator, Clerk-Treasurer, Representative of the W. M. U., Associational Missionary, and the host pastor, or pastors.

(9) The Executive Committee shall consist of all officers of the Association, all active pastors, one member from each church with a membership of 500 or less, and two members from each church having over 500 members. Each church will nominate her own member, or members, to the Executive Committee, and the Association shall ratify those nominated at the Annual Meeting. The Executive Committee shall also ratify any nominee for vacancies which occur and are filled, between the Annual Meetings.

(a) The Executive Committee shall meet as early as possible after the Annual Meeting, and organize with proper officers and committees to best carry on the work of the Association.

(b) Duties of the Executive Committee shall be to conduct the business of the Association between its annual sessions; to cooperate with the general work fostered by the Baptist State, and Southern Baptist Conventions; to make personal investigations of all churches applying for aid from our Baptist State Mission Board, and to help any church, or group of churches, in arranging a proper financial budget; to call any special meeting deemed necessary to advance the work of the Kingdom, and to promote harmony, doctrinal correctness, cooperation, and the general welfare of the churches composing the Association.

(c) Members of the Executive Committee shall be elected annually, and shall assume their duties at the close of the session at which they are elected, and shall serve throughout the ensuing year, closing with the adjournment of the regular session.

(d) Fifteen members of the Executive Committee shall constitute a quorum.

(10) Churches contemplating making debts for lots, buildings, or improvements, must first seek the approval of the Executive Committee if they expect to apply for aid from the Baptist State Mission, in paying for same.

(11) Each church Clerk is requested to provide the Associational Clerk with the annual church letter (Report) from his church as promptly as possible after the last Sunday in September.

5. The Moderator welcomed to the Association the following new pastors; William Everhart, Fremont; E. B. Booker, New Hope and Sandy Bottom; J. C. Moore, Bryan Street; H. A. Dechent, Falling Creek, Bill Berry, Jr., Madison Avenue.

6. Dr. Julian Hopkins, State Secretary of Evangelism challenged the churches to return home and plan to cooperate fully in the various programs of evangelistic efforts being planned by the Southern Baptist Convention. He concluded his message with an explanation of the general Plan of Evangelism of the Southern Baptist Convention.

7. Mrs. Henry Belk, secretary, gave the following report on the actions of the Executive Committee.

The Executive Committee of Neuse Baptist Association has met ten times since the sessions of the Association last November, in all the months except July and August. The June meeting was a semi-social one at Kennedy Home, where the superintendent, the Rev. W. A. Smith, and his staff entertained members and their wives and husbands at supper. Average attendance has been 25 with the average number of churches represented twenty. The Committee meets first Monday mornings with sessions alternating between the Alfred J. Smith Education Building at First Baptist Church in Goldsboro and the Education Building at First Church in Kinston as places of meeting.

The Committee is made up of the officers of the Association, all the active pastors and one member from each church as a minimum and a second representative from each church being added when the membership passes five hundred. The Committee transacts business between sessions of the Association.

In December when the Committee organized it elected the Rev. Ed Boyd of LaGrange vice-moderator and myself as secretary.

I will give a few of the important transactions of the year. Your moderator and members of a special committee have spent much time during the year conferring the Raleigh office of the State Board of Missions and with property owners at Adamsville about securing a lot for the Association to help establish a church at Adamsville. The moderator has a check from that office for $2,000, of which $1,500 came from the Woman's Missionary Union Heck-Jones offering which memorializes the late Miss Fannie E. S. Heck and Mrs. W. N. Jones, and $500 from the general fund. The Executive Committee has authorized the the trustees to borrow the remainder of the purchase price with our assets inlcuding $1,359.03 in a building fund. The purchase price of the lot selected is $7,500 with the owner, Mrs. J. Marion Fordham, donating $500 of the amount.

In February the Rev. Waldo Early, Sr., resigned as chairman of the Associational Missions committee because he was moving to the Surry Association to serve as pastor there, and the Rev. Gilmer Cross was named to this position. This committee has approved help during the year from the State Board of Missions to these churches: Calvary, Trinity, Immanuel in Kinston, Pikeville, Mt. Nelson at Eureka, and Brookside in Goldsboro.

In March the Rev. Ralph Jones of Kinston was elected Associational Clerk succeeding Dr. Earl Parker, who resigned the pastorate at Fremont to go to Halifax, Virginia, to serve as pastor there.

In March also our Associational Missionary, the Rev. H. R. Starling, directed a week's School of Missions which was considered very successful.

The budget-finance committee has submitted a proposed budget to the Executive Committee for your approval which Mr. Ray Jones, chairman, will present. This will include $300 raise for our faithful, and devoted missionary and an appropriation for a new work in the Association, $135 for the use of a music committee, to train music leaders, and to establish quarterly hymn sings to raise the level of music.

The moderator appointed our missionary and Mr. Bill Shockley, director of Religious Education at First Church in Kinston, as co-chairman of the Sunday School enlargement campaign which is in progress this week in the Association.

The sceretary of the Committee urges that members of the Committee attend meetings so they can carry back reports of what is going on. "The fields are white unto the harvest."

8. The Missions Committee reported as follows on the work of their committee.

During the past Associational year your Missions Commttiee and Missionary, Mr. Starling, have been interested in several projects. We are happy to report that Rivermont Baptist Chapel, in Kinston, is now operating. Much thought and work has been expended on the Adamsville situation. It is our hope to see some Baptist work in that area before the Association meets in 1958. We are trying to buy a lot in Adamsville on which to place a Baptist church in the future. We have one big problem, however, money.

You will be interested in knowing that our State Mission Board is assisting six churches on their pastor's salary in our Association in the amount of $505 per month and $100 per month on the salary of our missionary. The Association is receiving a grand total of $605 per month from the State Mission Board at the present, or an annual amount of $7,260—just $191 short of our total budget for the Association.

We are grateful for the services of our missionary, Mr. Starling, and his splendid wife.

It is our sincere feeling that we should become TITHERS of the money the Lord has given us; then we could do greater things for the Lord.

9. The treasurer gave the following report which was adopted.

Mr. Mewborn then explained a suggested method of raising the budget. After much study the Finance Committee recommended that each church give at least $1.50 per resident membership. This was discussed freely, but there was no adopted motion, only a suggested plan of arriving at a minimum figure for each church to give to the Associational budget.

11. J. R. Mewborn made a motion that the following amendment to the constitution be made.

The Executive Committee of Neuse Association passed the following motion.

"That the Committee recommends to the Neuse Baptist Association that the Association's constitution be amended so that a Budget-Finance Committee will be set up, its members to include at least one from each of the counties of Lenoir, Greene, and Wayne, and the moderator of the Association and the treasurer of the Association. The duties of the Budget-Finance Committee are to plan and supervise the making and the raising of the budget and to direct the finance program of the Association as directed by the Executive Committee of the Association."

12. Mr. W. J. Matthews, a member of the Associational Trustees, explained that the Association would have to approve the loan that was needed to complete the purchase of the lot in Adamsville for a forthcoming church. A loan of $3,700, plus interest, was approved by the Association.

13. The Worship Hour. E. R. Boyd brought the message on the needs of the modern-day Baptist church. The text of the sermon was taken from Revelation 2:1-5. After the message Mr. Boyd pronounced the benediction and offered grace for the lunch.

WEDNESDAY AFTERNOON SESSION

14. The afternoon session convened with the singing of "Stand Up, Stand Up for Jesus," after which Jack Partain read the devotional scripture and led in prayer.

15. Ralph E. Jones, Jr., secretary-treasurer of the Neuse Builders' Club gave the following report. He further suggested that it was his opinion that the job of Secretary-Treasurer should be given to a layman who would have time to visit various churches, enabling every church to know the work and participate in the club.

16. The following reports were made on the Convention Program:

a. Mrs. L. O. Hayes, Hospital Representative, submitted the report given below.

Last February, Dr. W. K. McGee, Director of Denominational Relations for the N. C. Baptist Hospital, invited Associational Missionaries, and Associational Representatives throughout the state to spend a day at our Hospital.

By means of a well planned program we were enabled to see with our own eyes the Hospital in action. We saw and marveled at the magnificent physical plant; we felt the warmth of the personnel with whom we came in contact; we saw the wards in which our patients were receiving TLC (tender, loving care). We returned to our homes grateful that every Baptist in the State is privileged to have a part in the ministry of this wonderful hospital, by our contributions of money and supplies.

According to figures released by the Hospital for 1957 Neuse Association, through twenty-eight of its churches, has contributed $1,465.60. An increase of $59.51 over 1956.

b. W. A. Smith reported on the "Children's Homes of North Carolina." The following report was adopted, after Dr. I. G. Greer inspired the session with the afternoon message centering on the need of "the children."

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Your Children's Homes have had another busy year. There were a total of 813 applications received. Only 169 could be admitted to some phase of the program.

The Social Service Department, Pastors, and others have made it possible to place many of the 644 children not accepted with relatives or other agencies where their needs are being met. Many still wait for someone to come to their rescue. Remember, the children in greatest need are used to fill the few vacancies.

How many dependent children should the Baptist of our State provide for? A conservative estimate is that Baptist should serve about 1,000 children annually. So, the Homes must gradually expand the Foster Home Program until our denomination is caring for the proportionate share of dependent children.

We find another great need at the Indian Orphanage near Pembroke. There are twenty to twenty-four children in this home located in Robeson County in the Burnt Swamp Association. Sentiment has developed among North Carolina Baptist for admitting it as a part of the Baptist Children's Homes of North Carolina, Inc. The Board of Trustees of the Baptist Children's Homes voted unanimously at their regular annual meeting in May 1957 to recommend to the Baptist State Convention that the Pembroke Orphanage be made a part of the North Carolina Baptist Child Care program. If approved, it will be necessary to erect a cottage at a cost of about $50,000. It will take an operating budget of about $20,000 per year.

How to finance these additional needs? No doubt there will be special gifts and bequests for construction of the cottage. The operating budget will have to come through the churches. As you know, there are two plans for supporting the Children's Homes.

Plan number one is a combination of the once-a-month offering and Co-operative Program which is a fixed amount. Plan number two is the Thanksgiving offering. The Homes receive every dollar of this offering and such may be increased by the churches from year to year.

An increased Thanksgiving offering will be the only way to meet the challenging needs of our Children's Homes. If every church will increase its Thanksgiving offering ten per-cent this will give the Children's Home the $20,000 to support the children of Pembroke. Any funds above this amount will be used to expand our Foster Home Program and care for those who were turned away last year. The Master is pleased when His servants have done their best.

BUILDING PROGRAM

During the past year a new swimming pool has been built at Kennedy Home and a new cottage for boys will be completed by November 30th. There is a possibility of erecting a new cottage for boys at Mills Home during 1958. Remebre, new buildings are erected with special gifts and bequests.

CHARITY AND CHILDREN

We believe every church will profit by a Charity and Children Club. It not only keeps our people informed about their program of child care, but it also strives to give a little insight into all phases of our denominational work.

17. Rev. James Hayes, Director of Homes for the Aging, made the final report of the Wednesday session. He reported on the great progress being made in the department for the aging. Rev. Hayes said that the purpose of the homes is to add "years to life and life to the years that are left."

18. The afternoon session was closed with prayer.

THURSDAY MORNING, NOVEMBER 7

19. Moderator Roy Beals called the Session to order in the LaGrange Baptist Church at 10:00 a.m. The congregation sang, "Saviour, Like a Shepherd Lead Us," and Norman Arant read scripture and led in the morning prayer.

20. The Association was welcomed to the LaGrange church by one of the members, C. R. Burke, Jr.

21. W. L. Shockley, Associational Sunday School Superintendent, read a report which was adopted as follows:

It is with heartfelt gratitude to pastors, superintendents, teachers and other leaders of the Sunday Schools of our Association that we come to make this annual report.

This year our Association is reporting 29 churches. In addition to these churches having their own Sunday Schools, three missions have their respective schools for a total of 32 regularly organized and maintained schools. Two churches report "Extension Sunday Schools," geared to meet the needs of two particular groups. The grand total of enrollment was reported to be 7,436, or an increase of 342 over last year. By ways of comparison the total Sunday School enrollment was 302 greater than tthe total church enrollment.

Achievements this past year included:

1. 11 churches observing January Bible Study.
2. 28 Vacation Bible Schools held with a total enrollment of 2,845.
3. 1 new Sunday School organized (Rivermont Mission in Kinston).
4. 15 churches reporting 477 training awards (Snow Hill receiving 235).

We, the associational Sunday School officers, respectfully make the following recommendations for the year 1957-58:

1. That each school adopt for this year the theme, "Ye Are Witnesses."
2. That Sunday School work in this association major or:
   a. **More people in Bible Study** through local enlargement, the organization of at least two new schools, and having at least 34 Vacation Bible Schools.
   b. **More effective Bible teaching** through study resulting in at least 525 training awards being secured.
   c. **More people won, developed and enlisted** partially accomplished through having at least 10 churches observing Preparation Week, Sept. 21-28, 1958.

22. In the absence of Jack Partain, B. E. White, Jr. gave a report on the Training Union. The report consisted, in the main, of a resume of the work of the year and the plans for a large "M" night service at Madison Avenue Baptist Church in December.

23. Mrs. Fred Harrell gave a report on the work of the W. M. U. for the year, giving special thanks to all those in the local church who had done so much to promote the organization and the program of missions during the year.

24. J. R. Mewborn, Brotherhood President, made the following report which was adopted by the Session.

It is with much gratitude that I can report growing interest in our Brotherhoods throughout the Neuse Association.

In March of this year, on the 7th and 8th, we held two leadership clinics—one in Kinston and one in Goldsboro—at the same time we had R. A. leadership clinics. We found our men were interested by their attendance. In Goldsboro there were 45 men attending and in Kinston about 25.

During the year there have been three new brotherhoods organized and we feel there are others who are ready to organize. With God's help they will be organized soon.

For the first time we have a full slate of officers and each one is willing and eager to assist in any church at any time.

25. Dr. Herman Ihley, Secretary of the State Sunday School Department, brought an inspiring and challenging message after the reports were completed. He urged that each church strengthen the

cords of the Sunday School so that the whole church program might be strengthened. He said the "Sunday School is on the march," let's keep it's motto high—"Forward with Christ."

26. During the business period the following items were approved.

a. Ed Ulrich reported for the nomination committee, and its nominees were elected by the Association as officers for 1957-58 and are listed in the front of the minutes.

b. The report of the resolutions committee was read by Rev. C. H. Trueblood and was adopted as follows:

1. RESOLVED that we express our hearty appreciation to the pastors and memberships of the Madison Avenue and LaGrange Baptist churches, for their kindness, bountiful meals, and gracious hospitality in entertaining the Neuse Baptist Association.

2. RESOLVED that we convey our sincere thanks to the program committee for the excellent planning in presenting a well-rounded, challenging program for the Association, and to all who had a part in carrying out the program.

3. RESOLVED that we ackowledge our indebtedness to all guest speakers for their inspiring messages, and for their particular contributions to the Kingdom-building program of our Master.

4. RESOLVED that we express our debt of gratitude to our Moderator, Associational Missionary, and their associates for their outstanding services throughout the year, in promoting the work of the Assocation.

c. The Time, Place and Preacher report was made by Howard Dawkins and was adopted by the Association:

TIME: November 5th and 6th, 1958

PLACE: First Day—Sandy Bottom

Second Day—Spilman Memorial

PREACHER: Gilmer H. Cross

ALTERNATE: Ed Ulrich

d. The proposed Constitutional Change to set up a Budget-Finance Committee was read for the second time and adopted. The Constitution has been so modified in these minutes. (See article 15.)

27. Three discussions on "Helpful Ideas" for the local church were given by the following:

THE CHURCH CENSUS—Ed Ulrich

CHALK TALKS —Mrs. Roy Beals

LAYMAN'S REVIVAL —Claude Aldridge, Jr.

The inspirational speaker for the morning session was Dr. Luther Copeland, Professor of Missions at Southeastern Seminary. He spoke on "The Local Church with a World Mission." In order to have a local world mission church it must have a "spiritual atmosphere," "amazing participation" and "an example of the living Gospel."

THURSDAY AFTERNOON SESSION

28. The session convened with the singing of "When We All Get To Heaven." Rev. H. W. Mobley gave the Devotional reading and led in prayer.

29. H. R. Starling, Associational Missionary, made the following report:

Let me speak briefly on some of the acomplishments enjoyed during the Associational year just closed. Last February we brought some of our efforts of the past two years to culmination when we had our School of Missions touching 26 of our 29 churches. Those who came to us, came from our Foreign Mission Fields, our Home Mission Field and from our own State Convention. All in all, it was a most fruitful experience for the churches in the Neuse Association. For many months we have been working and planning for an Enlargement Campaign in our churches. This campaign is now in progress with State Sunday School leaders guiding in the work of better and larger Sunday Schools in our churches.

During the past year, we have organized the Rivermont Mission in South Kinston. That work is being mothered by the First Baptist Church of that city. The Sunday school is now enjoying an attendance of about 75 each Sunday morning. Rev. Jay T. Morris is the pastor and preaches for them each Sunday at 11:00 a.m. Their offerings are averaging about $50.00 per week. A lot 200 by 400 has been offered the mission as a site upon which to build a house for worship and teaching of God's word.

During this past year, our churches have enjoyed an increase in enrollment of some 950 with about 355 of these coming for baptism. Our 33 Sunday schools have gained some 486 in enrollment. Our total contribution to missions is some $35,000.00 which I believe all of us will agree is not what we should be giving to win a lost world to Christ.

As we face the new year, our responsibilities look to be staggering but they are not impossible for this is God's business and we are working on the Lord's side.

This Association in session yesterday at Madison Avenue Church voted to go ahead with the purchase of the lot offered us in Adamsville for the beginning of a work there. We will need several thousand dollars to be raised for that work in the next two years. But that can be done with a real dedication of life and possessions.

On January 26, every church in our fellowship will be urged to make a worthy offering to be used in our Association in starting new work. This will be our opportunity and the offering will be commensurated with the enthusiasm demonstrated in presenting the needs of our Association to our churches.

Our Executive Committee in its last meeting voted for the churches in our fellowship to cooperate in the Southwide Evangelistic Crusade to be conducted in April 12 to 26, 1959. All of our pastors are urged to keep these dates in mind and plan for your revivals in keeping with this simultaneous crusade. Together we can make a mighty impact felt for the forces of righteousness.

30. The following reports were given under the program heading of: The Report on Cooperative Effort.

a. Chaplain Swaffer of Seymour-Johnson Air Base gave the report on the American Bible Society. He explained how the Armed Forces benefit from the work of the Society. He also stated that Southern Baptist are the second highest contributors to the Society.

b. John G. Dyer, minister of music at Kniston First, gave a very fine discussion about good church music. He traced the history of the use of music in the church and stressed the importance of having a trained music program in the local church.

c. C. E. Ruffin gave a moving talk on the important effects of the printed page upon the character of man. He told of the need for counter-action by the Christian press against the "questionable pages" being consumed by our people today. He urged the church and the home to "prescribe and encourage" the use of "Christian and wholesome" literature.

d. W. P. Biggerstaff spoke briefly on Temperance and Christian Morals. The major portion of his discussion was centered upon the problem of alcohol and drugs. He said that the problem can never be handled until Christians do something, "preferably stop drinking themselves."

31. The last item of the afternoon session was to be a message from Mr. Adcox, Charles Nanny spoke briefly but inspiringly upon the Laymen's Evangelistic movement. He believes this to be the secret of the evangelistic work of the church. "When the laity get a passion for lost souls, lost souls will be won."

32. Associational clerk, Ralph E. Jones, Jr., adjourned the session with prayer.

CONSTITUTION OF THE NEUSE BAPTIST ASSOCIATION

(1) This body shall be known as "The Neuse Baptist Association."

(a) Membership in this body shall consist of all Missionary Baptist pastors and ordained ministers in the Association, and all messengers elected or appointed by their respective churches.

(b) Each church with a membership of not more than 100 shall be entitled to five messengers. Churches having more than 100 shall be entitled to an additional messenger for every additional 100 members or a major fraction thereof, provided that no church shall have more than 12 messengers.

(2) It shall be the purpose of this Association to "Spread the Gospel," at home, "And unto the uttermost part of the Earth" (Acts 1:8), in conformity to The Holy Scriptures, and in cooperation with the agencies and institutions of The Baptist State, the Southern Baptist Conventions.

(3) Officers of this Association shall be Moderator, Vice-Moderator, Clerk, Treasurer (or Clerk-Treasurer), Training Union Director, Men's Brotherhood Director, Christian Education Repesentative, Hospital Representative, Home for Aging Representative, Orphanage Representative, Youth Director, Civic Righteousness Leader, Biblical Recorder Representative, Superintendent of Sunday Schools, Superintendent of W. M. U., Chairman of Committee on Evangelism, Chairman of Builder's Club, and Chairman of Committee on Associational Missions.

(a) The Neuse Baptist Association shall elect at least three members to serve as Trustees. Their term of office shall be for three years with one-third of the number elected each year. Vacancies may be filled by executive committee at any time with the one elected filling out the unexpired term of the one whose vacancy is being filled. Having served as a Trustee a previous term will not disqualify a member for re-election.

The Trustees shall, as provided by law and the action of the association hold in trust the title to all property of the association and shall represent the association in all matters of legal responsibility regarding the purchase, improvement and disposal of associational property. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the association or executive committee authorizing such action.

(b) That a Sunday be called "Associational Day" in our churches and that we ask the churches to take a love offering for the associational work. The funds shall be used to help purchase church building lots; or provide facilities in which to begin the work, such as rentals, etc., or for the use of providing a home for the Associational Missionary. Trustees of the Association shall hold such property. Each church would be allowed to designate their gifts. Therefore you could give to the fund for lots, or the fund for an associational missionary's home.

The Executive Committee shall set the date for the offering.

NOTE: The date for the above offering, was established by the Executive Committee as the 4th Sunday in January annually, or the nearest convenient date.

(c) There shall be an ORDINATION COMMITTEE composed of five members. It shall serve in an advisory capacity only. This committee shall assist such churches as call for their aid in examining such candidates for the ministry as are brought before them, as to their call and fitness for the Gospel Ministry, and make recommendations as they feel led, to the church of which he is a member, concerning his ordination. If there is need they may help plan and arrange for the proper service of ordination. The Committee shall be named by the Executive Committee of the Association, and be responsible to such Committee.

(4) The Moderator shall preside and conduct the proceedings of the Association in accordance with the Constitution and maintain order and decorum as set forth in Kerfoot's Parliamentary Law. Moderator, and Vice-Moderator shall not succeed themselves in office more than two successive years.

(5) In the absence of the Moderator, the Vice-Moderator shall preside over the associational meetings, and discharge the duties of the Moderator.

(6) The Treasurer, or Clerk-Treasurer, shall receive all funds sent to the Association by churches, and all funds collected during the session. He shall pay out the same as designated by donor, or as ordered by the Association, and shall make a report each year.

(7) The Clerk, or Clerk-Treasurer, shall record the proceedings, and publish and distribute the Annual Minutes. He shall supply the churches with blank letters for their annual reports to the Association. He shall receive from the Minute Funds $50.00 for his services, and $10.00 for contingent expenses.

(8) The Program Committee shall be composed of the Moderator, Vice-Moderator, Clerk-Treasurer, Representative of the W. M. U., Associational Missionary, and the host pastor, or pastors.

(9) The Executive Committee shall consist of all officers of the Association, all active pastors, one member from each church with a membership of 500 or less, and two members from each church having over 500 members. Each church will nominate her own member, or members, to the Executive Committee, and the Association shall ratify those nominated at the Annual Meeting. The Executive Committee shall also ratify any nominee for vacancies which occur and are filled, between the Annual Meetings.

(a) The Executive Committee shall meet as early as possible after the Annual Meeting, and organize with proper officers and committees to best carry on the work of the Association.

(b) Duties of the Executive Committee shall be to conduct the business of the Association between its annual sessions; to cooperate with the general work fostered by the Baptist State, and Southern Baptist Conventions; to make personal investigations of all churches applying for aid from our Baptist State Mission Board, and to help any church, or group of churches, in arranging a proper financial budget; to call any special meeting deemed necessary to advance the work of the Kingdom, and to promote harmony, doctrinal correctness, cooperation, and the general welfare of the churches composing the Association.

(c) Members of the Executive Committee shall be elected annually, and shall assume their duties at the close of the session at which they are elected, and shall serve throughout the ensuing year, closing with the adjournment of the regular session.

(d) Fifteen members of the Executive Committee shall constitute a quorum.

(10) Churches contemplating making debts for lots, buildings, or improvements, must first seek the approval of the Executive Committee if they expect to apply for aid from the Baptist State Mission, in paying for same.

(11) Each church Clerk is requested to provide the Associational Clerk with the annual church letter (Report) from his church as promptly as possible after the last Sunday in September.

(12) New churches, desiring to be received into the fellowship of the Association should subscribe to the Baptist principles and policies set forth in a suggested application form which may be secured from the Moderator of the Association.

(13) The Association shall have a two-day annual session, falling on Wednesday and Thursday after the First Sunday in November.

(14) This Constitution may be amended at any Annual Meeting of the Association provided the amendment has been presented in writing at the time of presentation, not later than the October meeting of the Executive Committee Meeting, and read on successive days of the same Annual Session, and receives a two-thirds majority vote of the messengers present when the vote is taken.

(15) The Association will elect a Budget-Finance Committee. This Committee will include at least one member from each of the counties of Lenoir, Greene, and Wayne, the moderator, the treasurer of the Association. The duties of the committee are as follows: (1) to plan and supervise the making and the raising of the budget; (2) to direct the financial program of the Association as directed by the Executive Committee of the Association.

(16) The Association recognizes that the sponsorship of a mission by a local church is the most desirable procedure to follow and shall encourage this method of establishing mission work within the Association wherever possible.

The Association shall be considered the sponsor of a mission when the mission is established and carried forward under the direction of the Association Missions Committee and when finances for the mission are underwritten by the Association.

When a mission is sponsored by the Association it shall be the responsibility of the Association Missions Committee to find an appropriate church in which members of the mission may hold their church membership. This membership shall be a "watchcare" membership which means that persons so received will not be counted by the church in its own membership roll, nor will the baptisms for the mission be counted for the church receiving into watchcare membership. Watchcare members will not be voting members of the church that has received them.

Records and reports of the mission shall be spread upon the minutes of the Association under the digest of church letters as a mission of the Association and not as a mission of the church where "watch-care" membership is held.

Resolutions: Mrs. Gilmer Cross, Chairman; Ralph Jones; Mrs. Elton Beamon

6. At 10:30 a.m. Rev. C. W. Bazemore, of the Biblical Recorder, inspired the session with a very fine message on the *Task of a Baptist Church.* He cited the lost people so near and yet so far; the need for looking to the New Testament for the answer; closing with a challenge to reach out into all the world to reach the lost.

7. Rev. Bill Berry made the following Executive Committee report:

The Executive Committee of the Neuse Association was organzied for this Associational Year December 2, 1957, with Mr. W. A. Smith, superintendent of Kennedy Home, as chairman succeeding the Rev. Roy Beals; the Rev. Arthur Dechent, pastor of Falling Creek church, as vice-chairman; and Mrs. Henry Belk re-elected as secretary. Mrs. Belk served until June when she resigned following surgery at Duke Hospital. Bill Berry, Religious Education director at Madison Avenue, was elected to succeed Mrs. Belk.

The Committee has held eleven meetings having voted this year to meet in July and August, a custom not previously followed. But no meeting was held in August because not enough members were present to constitute a quorum.

The June meeting was a semi-social one at Kennedy Home. The superintendent and his wife and the staff of the Home that month entertained Committee members and their wives and husbands at a supper. A short business and inspirational meeting followed.

Again the Committee alternated its place of meeting, except for the June gathering, between the Alfred J. Smith Education Building at First Baptist Church in Goldsboro and the Education Building of the Kinston First Church.

The 29 churches of the Association each send to the Committee their pastor and one other representative as a minimum and a second representative from each church when the membership passes 500. The large Committee and its committees transact the business of the Association between annual sessions.

Some of the highlights of the year: A successful Association wide Sunday School enlargement campaign was held the first week of November in 1957; an evangelistic laymen's conference was held in LaGrange March 13 and 14 by the Associational Brotherhood; an Associational Vacation Bible School clinic was held April 3 at First Church in Goldsboro.

Sponsorship of Mount Vernon Baptist Church in West Kinston as a mission was voted by the Committee March 3.

An Association wide church finance clinic was held in August with Dr. Earl Bradley of Raleigh leading it. Several churches plan to conduct a "forward" program of finance as a result of this clinic.

During the Association meeting last year Mr. W. J. Mathews of Goldsboro chairman of the Association's trustees, reported that he had received the deed to the J. M. Fordham property at Adamsville for which the Association had paid $7,000 with a view to the erection on this property of a house of worship. The first Sunday School and church services looking toward organization of a church that will build on this property were held Sunday, October 19, with M. A. Shaver of First Baptist Church in Goldsboro as superintendent of the Sunday School and our Associational missionary doing the preaching. Services are being conducted each Sunday at the former W. C. Spence home at Adamsville, a home more recently used as a nursing home. The property is being rented from Mr. W. C. Spence. In September a group of men who made a survey of Adamsville homes found 193 homes exclusive of trailers and contacted 99 of those homes and found among these 20 Baptist families.

8. W. A. Smith gave the following Missions Committee report in the absence of the chairman, Rev. Ed Ulrich.

During the past year your Missions Committee has been interested particularly in two projects: the West Kinston Baptist Mission and the Adamsville Baptist Mission. Both missions are now a reality. The West Kinston Baptist Mission has been since the first part of this calendar year and the first services for the Adamsville Mission were conducted on October 19, 1958. In order to have a meeting place for the Adamsville work a house formerly occupied by the Wayne Convalesent Home and situated at the top of the hill just east of Stoney Creek has been rented at a cost of $100.00 per month. Supplies have been given or purchased so that the building is equipped with necessities for the beginning of a strong Baptist work in Adamsville. Plans are being formulated at the present time with the end in view of having a pastor to live and work in the Adamsville mission as soon as possible after the first of January.

In addition your Missions Committee has had the responsibility of receiving and examining and making recommendations concerning applications from churches within the Association that have desired State Mission aid on their pastor's salary.

We express anew our love for our missionary, Mr. Starling, and his good wife and are grateful for their devotion to the work of the gospel of Christ in our association. We would urge our churches to pray for them and pray that in these critical days there may be a wonderful harvest of souls for Christ through these new missions as well as through the other churches and missions in the association.

As we view the many needs pressing upon us through the cry of lost people here in the Neuse and around the world we would remind ourselves that the tithe is the Lord's and if we would give it to Him many needs of the gospel could be met that are not now being taken care of.

We are grateful for the privilege of serving you as your missions committee this past year.

Proposed Addition to the Constitution
Of the Neuse Baptist Association
Concerning Missions Sponsored by the Neuse Association

1. The Association recognizes that the sponsorship of a mission by a local church is the most desirable procedure to follow and shall encourage this method of establishing mission work within the Association wherever possible.

2. The Association shall be considered the sponsor of a mission when the mission is established and carried forward under the direction of the Association Missions Committee and when finances for the mission are underwritten by the Association.

16. Dr. Bruce Whitaker, President of Chowan College, brought the afternoon message, in which he stressed the growing need and importance of Christian education. He then cited the ways in which the local church could minister to the college student.

17. Report on a Well-rounded Convention Program:

a. Rev. Howard Dawkins, Chairman of Evangelism, made the following report.

REPORT ON EVANGELISM

Evangelism is the heart of God's work on earth. It must ever be in the foreground of all our endeavors in the churches and in the association if we follow the New Testament pattern. Every Christian's greatest privilege and responsibility is to let Jesus Christ work in and through us to evangelize the world. This is the Great Commission and to carry out the Great Commission is to do the work of evangelism.

What are we doing in response to this high call from God? Let us look briefly at the record.

All churches in the Baptist State Convention of North Carolina last year had a ratio of baptisms to membership of 1 to 25. This means that on an average last year it took 25 church members a whole year to win one person to Christ. This record isn't anything that it should be, but it does represent an increase in baptisms of 4 per cent over the preceeding year. Total baptisms reported in the state in 1956 were 32,468, and in 1957 they were 33,796.

In the Neuse Association last year the ratio of baptisms to membership was 1 to 19. Total baptisms reported in our association in 1957 were 377. This year the churches reported 492 baptisms. This represents a gain of 115 over 1957.

The number of people won to Christ and baptized into the fellowship of the churches gives only a partial picture of the work of evangelism in the churches. The remainder of the picture is seen in what happens to the converts after baptism. Here statistics are not so easily compiled, but the number who will be won to Christ and baptized in the future is dependent upon the maturing of those who being baptized now. A Christian grows only as he participates in witnessing for Christ. Thus the program of evangelism in a church consists of winning people to Christ and keeping them enlisted in the total work of redemption.

Next year we face an unparalleled opportunity to lead all the people in the churches to engage in the total work of redemption by going all-the-way in cooperation in the continent-wide Simultaneous Evangelistic Crusade. This Crusade will be the biggest concerted effort ever made to win the North American continent to Christ and to experience new depths of dedication to Christ on the part of all church members. Seven major Baptist conventions in the United States and Canada are cooperating in this Crusade. These conventions are composed of 75,000 churches which have 19,000,000 members. Here is an opportunity like we have never faced before to get into the stream of God's redeeming purpose. Surely every church in this association will want to be a part of this great effort!

We have already voted to take part in Simultaneous Evangelistic Crusade. We ranked 7th as on association on state-wide basis in Evangelism. This year it took 11 Baptists in our association to win one Baptist.

b. Dr. W. R. McGee, Director of Denominational Relations for the North Carolina Baptist Hospital, gave a report on the work of the Baptist Hospital and the growing need for expansion on the School of Pastoral Care. The Mother's Day offering for the Neuse was $1,540.97. Dr. McGee urged that the Association set a goal, with a sizable increase over last year.

c. C. C. Aldridge gave an extensive report on Christian Education which complimented the message given by Dr. Whitaker. He listed the following "Seven Marks of a Christian College": Christian Ownership, Christian Administration, Christian Faculty, Christian Students, Christian Ideals, Christian Teachings and Christian Service.

d. Due to the time element, Rev. E. B. Booker, representative to the Children's Home, moved the adoption of the following report without reading it to the session.

ANNUAL REPORT OF THE BAPTIST CHILDREN'S HOME

June 30, 1958 marked the culmination of 15 years of progressive leadership by W. C. Reed with the Baptist Children's Homes of North Carolina. After serving as Superintendent of Kennedy Home for seven years, Mr. Reed moved to Thomasville where he served as General Superintendent for eight years. Under his supervision the Children's Homes experienced one of the greatest periods of building, growth, and expansion of service. At present N. C. Baptist probably provided more services for dependent children than any other similar group in America. Those associated with our child care program have, in the 73 years of its history, developed a program which is recognized as one of the best in the nation.

Dr. W. P. Wagoner, of North Wilksboro, was elected by the trustees to succeed Mr. Reed. Dr. Wagoner assumed his duties July 1.

Another Year of Progress

The year 1957-1958 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptist have directly served a grand total of 753 children. In addition to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met.

Indian Orphanage Now Our Responsibility

The Baptist State Conventon at its annual meeting last November voted unanimously to accept the recommendations of the Board of Trustees of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work, with 16 children, has been under the care and support of your Homes since January 1958. Money has been set aside to build a new cottage at Pembroke for the Indian children.

Financing and Expanding

North Carolina Baptist have two sources for supporting the Children's Homes: Source No. 1 is a combination of a Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

Source No. 2 is the Thanksgiving Offering. Every dollar marked "Thanksgiving Offering" comes to the Children's Homes. Last year we asked for an increase of 10 per cent in the Thanksgiving Offering. The churches responded with a 15 per cent increase. This increase of $30,000 enables us to support the Indian work at Pembroke and at the same time to considerably expand the Foster Home Program.

Looking Toward the Future

During the coming year a cottage will be erected at Mills Home for boys and a cottage at Kennedy Home for girls. These new buildings are being made possible by special gifts and bequests.

Serious consideration must be given in the near future to more adequate care for the children whose emotional stability has been seriously damaged. North Carolina Baptist have the potential resources with which to meet this growing need.

A bundle of Charity and Children should go into every Baptist Church in the state. If your church is not receiving this attractive and informative paper each week, please write Editor Marse Grant at Thomasville immediately to begin a club in your church. All pastors and Sunday School superintendents will receive complimentary copies if they will send their names to the editor.

Most important of all, remember to pray for the children being served by your Children's Homes. Some carry heavy burdens which can be lightened with your prayers and material support. The administration and staff members also appreciate every expression of your love and concern for this Christ-ordained ministry.

e. In the absence of Dr. E. L. Spivey, who was out of the state, Dr. M. A. Huggins gave a demonstration of the operation of the co-operative program. He also emphasized the increased need for the State Convention's budget for the new year.

18. The afternoon session was closed with prayer.

THURSDAY MORNING, NOVEMBER 6

19. Moderator Roy Beals called the Session to order at the Spilman Memorial Baptist Church at 10:00 a.m. The congregation sang, "Jesus Is All the World to Me," and Rev. Paul Pridgen gave the devotion on Isaiah 40.

20. Rev. Ralph E. Jones, Jr., pastor of the Spilman Church, gave the welcome in behalf of the congregation.

21. Report on a Well-Rounded Church.

a. W. L. Shockley, general superintendent, gave the following report, after which he introduced Rev. U. A. McManus, who gave a challenge to our churches for better Bible study and enlistment.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

It is with heartfelt gratitude that we come to make this annual report to the association.

On behalf of the staff of associational Sunday School officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in daily living.

This year our association is reporting 29 churches, 4 missions and one "Extension Sunday School" to give us a total of 34 schools for Bible teaching.

Achievements this past year include: 9 churches observing January Bible study; 32 Vacation Bible Schools being held; 1 new Sunday School being started (West Kinston); churches reporting 691 training awards.

We respectfully make the following recommendations:

1. That we adopt for this year the theme, "That They Might Have Life."

2. That the Sunday School leadership in each church of our association be urged to:

a. Seek a minimum gain of 10 per cent in Sunday School enrolment and a 15 per cent increase in attendance.

b. Provide a training program which would include January Bible Study, Preparation Week, and Operation Home Study.

c. Have a Vacation Bible School and such mission Bible School as is possible.

d. Give priority to personal witnessing.

e. Encourage all Sunday School workers to participate in the regular associational Sunday School meetings and programs in order that our own work may be strengthened and that, through co-operation, all churches may carry out their divine commission.

b. Mr. Jesse Croom, reported that 3 new Training Unions had been organized at Adamsville Mission, Emmaus and Seven Springs.

c. Mrs. Fred Harrell, Associational W.M.U. President, gave the following report:

W.M.U. REPORT - OCTOBER 1958

The purpose of Woman's Missionary Union is to promote missions at home and abroad. This is done through prayer, study, witnessing, sharing and education of young people. The permanent watchword of Southern W.M.U. is "Laborers together with God."

At this time 28 of the 29 organized churches in the Neuse Association have one or more missionary organizations; and one of the new missions has recently organized a W.M.S.

The number and membership of organization are as follows:

Orgination	Number	Membership
W.M.S.	27	1083
Y.M.A.	20	99
G.A.	34	410
Sunbeam	23	380
Total Membership		1974

The annual reports listed 539 tithers and 1419 giving through Cooperative Program.

Contributions to special offerings were,

Lottie Moon	$5,705.27
Annie Armstrong	2,271.62
Heck-Jones	1,342.82
Total	$9,319.71

The W.M.U. Executive Committee meets quarterly, and at least once during the year all local presidents are invited to join the Committee for a planning meeting.

W.M.U. has 76 persons attending the Regional Leadership Conference in Wilson, and 60 who attended the Associational Conference held in Kinston.

G.A.'s and Sunbeams held associational rallies during the year which were well attended.

The annual meeting is held in the spring and will be held in LaGrange Baptist Church this year.

There is increased emphasis on well trained leadership, and as a part of this effort many leaders of youth groups are taking special courses of study, completion of which, will entitle them to a Leadership Accreditation Card from Southern W.M.U.

During the year 103 mission books were taught.

In order to implement the goals of our Southern Baptist Convention in the third Jubilee Celebration, 1959-1964, and in cooperation with Southwide and North Carolina W.M.U., the association has elected a Jubilee Chairman, who will assist us in meeting definite goals.

At the last executive meeting the following goals were accepted for the year 1958-59:

Increase in membership - 11 per cent; Increase in special offerings - 11 per cent; Organization of 2 W.M.S.; Organization of 4 youth organizations that have no missionary organizations for young people at the present time; Full cooperation with Simultaneous revivals; Effort to increase giving to Co-operative Program.

W.M.U. has declared these five years of Jubilee, an Era of Prayer, and the women of Neuse Association pledge themselves to the churches to undergird all efforts of all Baptist bodies participating in the Jubilee, to the end that millions of the world's peoples shall receive the call to liberty and light through the Baptist witness.

This will not be a new effort on the part of Baptist women, but in this first year of Jublilee emphasis will be placed upon the re-dedication of ourselves to deeper devotion and service; may we make our watchword for the present year our full expression of gratitude, as we live its words: "Sin unto the Lord, Bless His name; Show forth thy salvation from day to day."

22. Special music was then given by Mrs. W. C. Coley and Mr. Earl Head of the Spilman Church. They sang, "The Lord Is My Shepherd."

23. Rev. A. F. Thompson then gave a report on the Eastern North Carolina Baptist Hospital. He gave a history of its founding, its present status and needs, and concluded with some long-range plans and a plea for support from the churches of the Neuse.

24. The session elected the slate of officers as found in the Directory in the opening section of the minutes.

25. The following committee reports were adopted:

a. Resolution Committee; Mrs. Gilmer Cross, Chairman.

Whereas, we recognize our responsibility as individual Christians and also as members of the Baptist churches in the Neuse Association and

Whereas, we realize the importance of dedicated Christian witness in a needy world,
Be it resolved,

1. That the churches of the Neuse Baptist Association participate actively in the full denominational program, recognizing the year 1959 as the year of Evangelism and Christian Witness in the five-year program of The Third Jublilee Advance.

2. That all churches of the Neuse Baptist Association recognize the West Kinston Baptist Mission and the Adamsville Baptist Mission as missions of the Association and assume an active support of these mission in their prayers, financial aid, and personnel as the Lord may lead.

3. That the churches of the Neuse Baptist Association take a definite stand against the traffic of alcoholic beverage and that the members thereof exert a positive Christian influence in their example and in the education of their youth.

4. That we express deep appreciation to the leadership of the Neuse Baptist Association and in this expression pledge our loyal support to them as they continue to lead in our work.

5. That we express to Sandy Bottom Baptist Church and to Spilman Memorial Baptist Church our gratitude for their cordial hospitality, the delicious meals, and the worshipful atmosphere.

6. That we express our heartfelt appreciation to the speakers and participants on the program of this annual meeting of the Neuse Association for their contribution and challenge to a more effective witness and dedication.

b. Time, Place, Preacher Committee: Rev. R. E. Whitley, Chairman.

TIME: Wednesday and Thursday, November 4th and 5th, 1959.

PLACE: First Day - Falling Creek; Second Day - Jordan's Chapel

PREACHER: Rev. Howard G. Dawkins; Rev. Norman Arant, Alternate

c. Rev. C. M. Crumpler again read the Constitutional change already reported and it was approved by the session.

d. The members of the Adamsville Mission were given the privilege, by session vote, of placing their letters under the watchcare of the First Baptist Church of Goldsboro.

26. Helpful Ideas:

a. J. R. Mewborn, Associational Brotherhood President, made the following report:

I would like to thank the executive committee of the Associational Brotherhood for their cooperation and continuous efforts during this past year in getting our men interested in Brotherhood activities. We will help in any way that we can to give full information concerning this initial work - especially R.A. work with our boys. We have much to be done and so few to do it. Think about your boy. Does he have a leader in your church to lead him?

In November, 1957, just after the Neuse Association had met, the State Brotherhood met in Raleigh. When you see three thousand men enjoying a picnic supper and warm fellowship, rallying together in the name of Jesus Christ it is very encouraging. Every Brotherhood in our Association was represented.

On March 13-14, 1958 we held a clinic on soul-winning for the men. There was an average of 50 each night. This clinic was held in the LaGrange Baptist Church with 10 or more churches represented. We would like to have more churches represented that the men could have a clearer vision of Brotherhood work.

Our regional meeting was held in Wilson on April 29th. After the supper meeting an inspiring message was brought by one of our outstanding leaders in our state.

The annual meeting was held at Madison Avenue Baptist Church in Goldsboro on October 2, 1958. The guest speaker was Rev. John W. Privott of New Bern, North Carolina.

b. Bill Jackson, representing the State R.A.'s and Brotherhood organizations, brought a message on the needs and ways of using the man-power of the local church. He gave statistical information on the work of men in the church.

c. Rev. Bill Berry, Chairman of Youth Work, reported the need of an associational camp for our work. He then recognized W. A. Smith of Kennedy Home who discussed the possibility of using the Home's lake and cabin. He was given the authority, by the Session, to seek permission from the Kennedy Home Board to allow the Association to use the same. This was enthusiastically received by the Association.

27. Special music was given by Mr. Alvin Hansen of the Spilman Church.

28. Rev. James Camack, pastor of Snyder Memorial Baptist Church, Fayetteville, North Carolina, brought the morning message on "Giving Our Religion Away." His text was Matthew 28:19-20. He reminded us that we are to go and go with a purpose in "Giving Away Our Religion." After the message Rev. Cammack closed the Session with prayer and grace for the delicous meal served by the ladies of the Spilman Church.

THURSDAY AFTERNOON SESSION

29. The afternoon session was opened with the congregation singing, "Faith of Our Fathers," after which Rev. R. E. Whitley gave the devotion and offered the invocation.

30. Rev. H. R. Starling, Neuse Association Missionary, gave the following report:

ASSOCIATIONAL MISSIONARY'S REPORT

At your Associational Meeting in November 1953, you had 25 churches reported and one mission. Today we report 29 churches and 6 missions. The newest of these missions is the Adamsville Mission in East Goldsboro. We began this new work on October 19, 1958 at the 11: o'clock worship hour with 28 present. We have had 6 worship services during the past 3 Sundays with 116 attending. The offerings for the three Sundays were about $190.00. Sunday school has been conducted twice with 34 present. We have had Training Union twice with 24 present.

You learned from Mr. Shaver's report yesterday that we have bought a building lot in Adamsville upon which to build the church building. There is still $2,700.00 owing on this lot. We must make a worthy offering to be put on that debt next January on our Associational Missions Day.

It has been my privilege and joy to visit or work in all of our 29 churches and missions this past year. Please remember to call on me if at any time I can be of help to you.

At this time all of our churches have pastors. Four of our six missions have fulltime pastors and your missionary is giving full time to the Adamsville Mission in addition to my regular associational work.

At this time 3 of our churches are engaged in the Forward Program of Church Finance promoted by our Baptist State Conventon. We are hopeful that several others will put on this program soon.

Two of the last three churches in our association and one mission have adpoted a financial budget for this year. This is proving helpful for one of these churches is now sending in a small check each month for Associational Missions—a thing they never did before.

When all of the 1958 reports are in and tabulated, we expect the reported baptisms to pass the 500 mark.

Pray for us and support your mission work and we shall see even greater things accomplished for our Lord.

31. Mrs. L. O. Hayes made the following report and memorial thoughts concerning our Homegoers:

Remembering Our Homegoers

Statistics: 41 people, from 11 churches

Not a day passes over the earth, but men and women of no note do great deeds, speak great words and suffer noble sorrows.

"Of these obscure heroes, philosophers and martyrs, the greater part will never be known till that hour when many that are great shall be small, and the small great."—*Charles Reade from the Cloister and the Hearth.*

Precious in the eyes of the Lord is the death of his saints.—Psalm 116:15.

"Blessed be the name of the Lord."

32. Rev. W. C. Reed brought the final message of the day and the Session. His text was Hebrews 11:6 and his theme was faith. He gave his credo of Faith. "I believe:" 1. The Bible is God's Word. 2.God. 3.Jesus is Real. 4. All Things Work Together for God. 5. Eternity.

33. At this time the retiring moderator, Rev. Roy Beals, turned the gavel over to the incoming moderator, Rev. Ralph E. Jones, Jr., who closed the session with prayer.

Report of the Executive Committee of the Neuse Association

The Executive Committee of the Neuse Association was organized for this Associational year, December 1, 1958, with Rev. Ralph Jones, pastor of Spilman Memorial Church, Kinston, as chairman—succeeding Mr. W. A. Smith, Superintendent of Kennedy Home; the Rev. Arthur Dechent, pastor of Falling Creek Church, as vice-chairman; Bill Berry, Minister of Education, Madison Avenue Church, as secretary; and the Rev. Dick Whitley, pastor of Emmanuel Baptist Church, Kinston, as chairman of the Missions Committee. Other Missions Committee members are the Reverend Howard Dawkins, pastor First Baptist Church, Kinston, the Reverend T. C. Williams, Jr., Pastor of LaGrange Baptist Church; the Reverend C. M. Crumpler, pastor of Snow Hill Church, and Mrs. Fred Harrell, Minister of Education, First Baptist Church, Goldsboro. Ex officio members of the committee are the Reverend H. R. Starling, Association Missionary and the Reverend Ralph Jones, Moderator of the Association.

The Committee held ten meetings, having voted this year not to meet in July and August. The meetings were held alternately at the First Baptist Church, Kinston and the First Baptist Church, Goldsboro, except the June meeting, at which time the committee members and their wives and husbands were entertained by the Superintendent of Kennedy Home and the members of his staff with a supper meeting at the Home. A program of special music was provided by the Kennedy Home Cherub Choir, under the direction of Mrs. Paul Pridgen.

The twenty-nine churches and six missions of the Association each send to the Executive Committee their pastor and one other representative as a minimum and a second representative from each church when the membership exceeds five hundred. The large committee and its committee transact the business of the Association between annual Sessions of the Association.

During the year: (1) Rev. Waldo Early was called as pastor to Adamsville Mission, (2) Rev. Barry Lovett was called as pastor to Mt. Vernon Park Mission, (3) A house was rented for the pastor of Adamsville Church, (4) The average attendance at the Executive committee Meetings was 25.

5. The Associational Mission's Committee Report was read by the Chairman of the Mission Committee, The Rev. R. E. Whitley and approved as read.

Report of Missions Committee

The Missions Committee of the Neuse Baptist Association has had a busy year. We can surely say of God's work in our Association: "Ceiling Unlimited!" The adventure of mission service has been an inspiring challenge to each member of the committee.

In the past year the Missions Committee has worked in particular with two Churches, two Missions, and two prospective mission stations.

1. The two Churches with which the Missions Committee has sought to work closely are Bryan Street and Calvary Baptist Churches.

(1) The Bryan Street Baptist Church found itself facing a great opportunity with the possibility of it's community being developed by the government into a modern housing project, which would demand that the Bryan Street Church build a brick structure in conformity with the proposed houses of the new development. It seemed impossible for the handful of active adult membership to go it alone so, on invitation, the Missions Committee met with Bryan Street Church, studied the problem and prayed with them, and is now standing ready to continue working with them in any way it may.

(2) The Calvary Baptist Church, Goldsboro, called upon the Missions Committee for aid in their plans to move from their present circumscribed location to a place of larger ministry. Their leadership and planning was that of sound and dedicated minds. At first it was thought that Bryan Street and Calvary Baptist Churches could unite to form one stronger Church, but after several on-the-spot surveys by the Missions Committee, the two Churches and the Missions Committee found agreement in the definite need for two strong Baptist Churches in that section of Goldsboro. Work with the Calvary Church is continuing.

2. The Missions Committee has worked with the Adamsville Mission and the Mt. Vernon Mission, both missions of our Association, in the past year.

(1) When Mt. Vernon Mission found itself without a pastor in December, 1958, the Missions Committee sent a layman to preach until a minister could be located. Later, Reverend Barry Lovett, a student at Southeastern Seminary, was called as pastor by the Mission, and after meeting with Mr. Lovett the Missions Committee endorsed him as pastor of the Mt. Vernon Park Mission where he is now serving (on a field with Seven Springs Baptist Church) in an excellent fashion. Later, after plans were executed to purchase a lot in the Mt. Vernon community it was found that the original deed for that tract of land prohibited the erection of any building other than residential upon any lot of that area. After much prayerful searching an excellent location has been found fronting Hwy. 70, and so located as to avoid the extreme localization which was present in the Mt. Vernon settlement. We hope that this excellent lot with house can be purchased. $750.00 has been received from our State Missions on purchase of a lot for Mt. Vernon. The Executive Committee at its last meeting appointed a committee and authorized it to purchase option on the new lot.

(2) The Missions Committee has continued to work with the Adamsville Mission throughout the year until Sunday, October 25, at which time the Adamsville Mission was constituted as a new Church of our Association. In January, 1959, the Missions Committee met with the Rev. Waldo Early, Sr., and his wife. After discussion with them we recommended that the Association call him as Adamsville Missions pastor, offering the minimum material benefits of a place to live and utilities, plus $4000.00 for office expense, retirement, automobile and salary. We understood that this offer was below what Mr. Early was receiving and less than we would have liked to offer, but Bro. and Mrs. Early felt the Lord leading and showed themselves willing to make the sacrifice. $2600.00 pastoral aid was promised from the State Convention for 1959 to help in meeting the promised amount of money. The Mission, with aid from State Missions, has met the expenses of their pastor without any help from the Neuse Association, though the Association has helped extensively on the purchase of a lot for their Church building.

3. The two prospective missions with which the Missions Committee has worked were: Proposed mission in North-East Kinston and proposed mission in Jackson Heights Development. After much survey, discussion and prayer it was felt that it would be best to wait until later to continue with these proposed missions. Our population in various areas of the Association is growing, and we want to be able to proceed with needed work as the need arises, and as nearby Churches desire to Mother such work.

The membership of the Missions Committee is commended for their giving of their time freely in the making and remaking of six or eight surveys, and their fine spirit and attendance at the many called meetings apart from the regular monthly meetings.

In addition, your Missions Committee has had the responsibility of receiving and examining and making recommendations concerning new applications from Churches within the Association that have desired State Missions aid on their pastor's salary.

It is only right to note with gratitude that the Moderator of our Associ ation, Bro. Ralph Jones, has faithfully responded to invitations to work ex-officio with the Missions Committee in all of its activities and has given of himself without reservation.

We express our love once more for our mssionary, Mr. Starling, and his fine wife. We are grateful for their devotion to the work of Christ in our Association. Pray for them as they give themselves up to the cause of Christ in the Neuse Association. We thank God for them.

Many of our Churches have responded well to the financial cost of expanding the work of Christ in our area. There is much yet to be done, and many of our Churches need to become more conscious of the obligations of Missions in their Jerusalem's and Judea's. The tithe is the Lord's. Let us all return the tithe with the love-gift that the "world might know" Jesus as personal Lord and Saviour.

Thank you for the privilege of serving you as your missions committee during this eventful year.

Respectively submitted,

Neuse Baptist Association Missions Committee,

R. E. Whitley, Chairman, T. C. Williams, H. G. Dawkins, Mrs. Fred Harrell, C. M. Crumpler.

WHEREAS, we have adopted the articles of Faith as laid down in the New Hampshire Confession, and commonly used by Missionary Baptist Churches. (We have adopted the Articles of Faith used by Southern Baptist Convention) and

WHEREAS, we have adopted the Covenant which is recognized by Missionary Baptist Churches; and

WHEREAS, we desire fellowship with fellow Christians of like faith and order, in the spreading of the Gospel of Jesus Christ throughout the world; therefore,

BE IT RESOLVED, by the members of the Rivermont Baptist Church, Kinston, N. C.:

1. That we request membership in the Neuse Baptist Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention.

2. That we pledge our faithful cooperation to the cause of Christ as promoted through the program of the above stated organizations.

Request made by the Rivermont Baptist Church in Conference on October 25, 1959.

Rev. N. F. Arant, Pastor, Mrs. James M. Banks, Clerk.

To the Neuse Baptist Association

GREETINGS:

On Sunday afternoon, October 25, 1959, an Organization Council made up of Baptist Ministers and other members of the Neuse Executive Committee, met and constituted the Adamsville Baptist Church, Goldsboro, N. C.

The Council acted in response to a request from the Adamsville Baptist Mission, as read by Mr. M. A. Shaver.

The request stated that the Mission had adopted The Church Covenant and The Articles of Faith commonly used by Missionary Baptist Churches.

It further stated the Mission's expressed desire to become a cooperating church in the Neuse Baptist Association, Baptist State Convention, and Southern Baptist Convention. The Mission has from is beginning, one year ago, given 10% of its regular offerings through the Baptist Cooperative Program, contributed monthly to Associational Missions, and other objects sponsored by the Convention.

With a pledge of loyalty to Christ, His Church and the Baptist fellowship, the Adamsville Baptist Church did on Sunday night, October 25th, 1959, make request for membership in the Neuse Baptist Association.

Waldo D. Early, Sr., Pastor, Harold Parks, Church Clerk.

The Churches were admitted with a unanimous approval by the Session.

14. Continuing the Theme of the Annual Session, "Making Religion Real". The topic, "Making Religion Real in the Church and

Denominational Cooperation" was brought by the Rev. Ray Harrington, Pastor from Danville, Virginia.

15. In our program, "Making Religion Real" in our Convention program the following reports were received as presented and approved. After an address by Dr. E. L. Spivey, Secretary of the State Mission on the New Year ahead in Mission of the Churches of North Carolina:

a. The Report on Evangelism was brought by The Rev. Howard Dawkins, Chairman to the fact that there were five hundred baptisms in the Neuse but in the new year each of the Churches would have to redouble their efforts in seeking out the lost if the Churches were going to take the Charge of Christ seriously. It was recommended that the Association cooperate fully in this year's part of the 1959-64 Jubilee Celebration as recommended by the Southern Baptist Convention.

b. The State Mission Report was brought by The Rev. Paul Pridgen which recommended great support and cooperation among the Churches in helping to expand the attempts of the State Missions to bring Christ to the thousands of unreached, and to help provide for the many requests for aid in securing lots for new Churches.

c. The Hospital Report was spoken to by Dr. M. K. McGee who thanked the Churches for the Mother's Day Offering which helped the hospital to reach many who could not afford Medical attention.

d. The Home for Aging Report on future plans for the North Carolina Baptist was brought by Rev. Burchet. Plans for the Eastern Division at Hamilton are materializing and it is hoped that these will supplement the other buildings which are now caring for over a hundred men and women.

e. The Childrens Home's Report was brought by Dr. W. C. Reed, who stressed a great need for the continuation of the Thanksgiving Offering and that it be increased by 25% if possible. The needs of the Home are great if we are to continue to give the fine type of help to those who call on us in need. We ask your prayers and support.

f. The Christian Education Report by Mr. Talton Jones was received but not read. Dr. Bruce Whitaker, President of Chowan College, brought a challenging report of the planned progress and the growth and expansion of the seven Baptist Colleges. He stressed the need for a richer awareness on the part of Baptists to the golden opportunity to help meet the great needs of the expanding population of people in North Carolina by expanding our schools just as rapidly as possible

now while we had the opportunity. It can be done if we want to do so.

g. The Biblical Recorder was represented by The Rev. C. W. Bazemore who reminded that each Church could see that each family could have the Recorder for a small contribution each week. Rev. Marsh Grant will assume the Editorship of the Recorder January 1, 1960 when Dr. L. L. Carpenter will retire. He thanked the Neuse Churches for their support in 1959 and pledged a vigorous effort on the part of the Recorder to help each Church in the new year.

The Meeting was adjourned by prayer by the Moderator at 3:15 P. M.

Thursday Morning November 5, 1959

The Second Day of the Annual Session

16. The Moderator, Ralph E. Jones, Jr. called the Session to order at 10 A. M. at the Jordan's Chapel Church. After the singing of the Hymn "The Churches One Foundation" the Rev. William Everhart read from Romans 12 and led in prayer.

17. The Association was welcomed to Jordan's Chapel Baptist Church by the Host Pastor, The Rev. Leo Stanis. The recently renovated, expanded and brick-veneered Church was an inspiration to all who were present.

18. The Sunday School Superintendent, The Rev. R. E. Whitley, presented the report which was adopted as read:

Neuse Baptist Associational Sunday School Annual Report 1959
R. E. Whitley, Superintendent:

Thank you for the privilege of service with the Associational Missionary, the Associational Sunday School Staff, and the Churches of Neuse Baptist Association. I know the officers for the coming year will join me in pledging ourselves in service through the Sunday School work of our Association. Our great purpose is to help the Churches through proper use of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in daily living.

This year our Association is reporting 29 Churches and five missions, giving us a total of 34 schools for Bible Teaching.

Some of our achievements this past year include: 28 Churches holding Vacation Bible Schools and five Missions making a total of 33 Vacation Bible Schools, one new Sunday School started at Adamsville, and two group schools in September, one in Kinston and one in Goldsboro. Our Churches reported 56 training awards in Association group schools.

We respectfully make the following recommendations:

1. That we adopt for our emphasis in S. S. this year: Teaching and Training.

2. That the Sunday School leadership in each Church of our Association be urged to:

a. Seek a minimum gain of 10 per cent in Sunday School enrollment and a 15 per cent increase in attendance.

b. Provide a training program which would include: January Bible Study, February Group Training School attendance, Operation Home Study, and Preparation Week in September.

c. Have a Vacation Bible School and such mission Bible Schools as possible.

d. Each school re-study and re-appraise the content and value of our Standard of Excellence and strive to at least come up to the standard Sunday School work.

e. Increase training opportunities through use of grading throughout the Sunday School.

f. Encourage all Sunday School workers to participate in the regular Associational Sunday School meetings every other month in order that our own work may be strengthened and that, through our co-operation, all Churches may carry out their divine commission.

3. That our Group Training School be held February 15-19 rather than in September so that Preparation Week in the individual Churches can be properly promoted. Also, we take great pleasure in the fact that the Rivermont Baptist Church, a mission of the First Baptist Church, Kinston, is no longer a mission Sunday School, but a Church School since their organization into a Church under the guidance of the Mother Church.

Respectively Submitted,

R. E. Whitley, Superintendent.

19. The training Union Report was reported by the Director, The Rev. W. D. Early, Sr. and approved:

The Training Union Report

November 5, 1959

James Price, Director

We are not making the progress in the Training Union field, that is being made in some of the other departments. However some gains have been made in this Association.

Last year, we reported 16 Training Unions in the churches of our Association. Today, we are happy to report 23 Training Unions, 2 of which are in two of our missions.

During October of this year, we conducted a Leadership Clinic for Training Union Leaders. Some 7 churches were represented in this clinic with an enrollment of about 28.

Training Union is looking up in our Association with new unions in the making in churches where there is none.

A good "M" Night program has been planned for December 7th, and will be held in the First Baptist Church in Goldsboro. The program will begin at 7:30 P. M. Dr. Bruce Whitaker, president of Chowan College, will be our guest speaker.

Fourteen of our churches did the study work necessary and requested 389 awards during the year closing September 30, 1959.

NEUSE BAPTIST CHURCHES
1959 - 1960

20. The W.M.U. Report was read by Mrs. Fred Harrell, the president, who stated that many of the Jubilee Goals of 1959 were reached. The Lottie Moon Offering was $5,728.11; The Annie Armstrong, $2,948.73; The Heck-Jones Offering, $709.00 and the State Mission Offering was $2,176.95, making a total of $11,562.79. The Goals for next year include a 20% increase in membership, a Junior Organization in all churches with a W.M.S. and a 12% increase in the Lottie Moon Offering and the Annie Armstrong Offering. The report was received as read.

21. The Brotherhood report was read by Mr. J. R. Mewborn, President, which was approved as read. Some of the report was as follows:

(1) The Neuse Brotherhood was well represented at both the State Meeting at Greensboro, and at the Regional Convention at Kinston.

(2) A Clinic was held at LaGrange on April 28.

(3) On October 23rd, the Annual Supper was held at Griffin's Barbecue in Goldsboro where the State President, Rev. Clyde Davis brought a challenge to the men present to let the Brotherhood help the Church in their total program to win the lost for Christ, and to enlist the unenlisted of each Church.

(4) There will be an Intensive Training Program in 1960 for Leaders of both the Brotherhood and the Royal Ambassadors. We earnestly solicit the active cooperation of each Pastor in our work. After the report, The Rev. Bill Jackson, State Leader for the Royal Ambassadors brought a message on Churches using all their means to expand their influence by using the Brotherhood and the Royal Ambassadors Chapters.

22. Dr. J. C. Canipe, Director of the Fruitland Bible Institute of Hendersonville reported on the progress of this Baptist Institution and its aid to Ministers who had not had the benefit of a complete College and Seminary Training and particular attention of the Active Program of Evangelization on the part of all the attending Students.

23. The next Business Session attended to the following:

a. The Rev. Gilmer Cross reported for the Nominating Committee and the named nominees for all the elected offices of the Neuse Baptist Association were duly elected. A list of these officers is found in the front of the Minutes.

b. The Report of the Resolution Committee was read by Mrs. Fred Harrell and approved as read.

Report of Resolutions Committee

WHEREAS, we recognize our responsibility as Baptist Churches of Neuse Association and

WHEREAS, we realize the need of daily witnessing to our brothers around the world, therefore,

BE IT RESOLVED.

1. That all churches of the Neuse Baptist Association participate in our denominational program, including the activities of the Third Jubilee Advance.

2. That all churches give particular attention to Leadership training, in all areas, which is the Jubilee emphasis for the year.

3. Realizing that young people are our greatest asset, that this year, special emphasis be placed upon the provision of leadership for them, that they may have the opportunity to grow into stalwart, dedicated Christians.

4. That we express our hearty appreciation to the Pastors and membership of Falling Creek and Jordan's Chapel Churches for their fine hospitality for these sessions.

5. That we convey our sincere thanks to the program committee for it's splendid planning and presentation of a very interesting and helpful program.

6. That we acknowledge our indebtness to our speakers for the information and inspiration brought to us, and to all who participated in any way on the program.

7. That we express our appreciation to our moderator, our Associational Missionary and Mrs. Starling, and to the members of the Executive Committee, for their diligent work through the year.

8. That each of us prayerfully strive, as individual Christians, and as members of the various churches to witness so effectively, through prayer, study, activity, service and sharing, that Neuse Association may experience the greatest year of its history.

Committee Members: Mrs. Fred Harrell, Chairman, Rev. H. A. Dechent, Mr. Joseph Stevens.

c. The Report of the place and Preacher Committee was read by The Rev. Roy Beals and adopted as follows:

(1) Time 10 A. M. November 2 and 3, 1960 as directed by the By-Laws.

(2) Place: Snow Hill First, on the First Day. Emmaus Baptist Church on the Second Day.

(3) Preacher: The Rev. M. L. Tyndall, and The Rev. William Everhart, Alternate.

24. The Part on Helpful Ideas was presented by Mr. John Dyer who suggested how the Choirs program of the Church might be assisted by the Associational Choir Program. He recommended that each of the Choirs of the Churches plan to participate in the Choir Festivals on the Associational level with the possibility of some going on to the State Contest. The Regional Competition of A. & B. Grade Choirs will be held March 24, 1960 at Kinston First Church.

25. After a special song brought by Mr. John Dyer, Dr. W. C. Reed introduced the inspirational speaker, The Rev. Dr. W. R. Waggoner, of the Baptist Children's Home of North Carolina. Dr. Waggoner spoke on "The Contribution of the Home in helping to make Religion Real in the Life of the People." It was a long subject but when he finished speaking it was agreed that he needed more time for his challenging message. The benediction and grace for the meal, served by the host Church, was given by Dr. Waggoner.

Thursday Afternoon Session

26. The Afternoon Session was called to order by the Moderator and the hymn "Lead On O King Eternal" was sung. The Rev. Roy Beals read the Scripture Devotional reading and led in prayer.

27. The Rev. H. R. Starling, Associational Missionary, made the following report which was adopted as read:

The good Lord has been good to us during this last associational year 1958-59. We began that year with 29 churches and 5 missions. Two of these missions, Rivermont and Calvary are sponsored by the First Baptist Church of Kinston. The Brookside Chapel is sponsored by the First Baptist Church in Goldsboro, and the Second Baptist Church in Goldsboro sponsors a Mission Sunday school. Our Association was, one year ago sponsoring the Mt. Vernon Park Mission in West Kinston, and is still doing so.

On October 19, 1958 it became necessary for our Association to sponsor another mission—this one to be started in East Goldsboro, a community known as Adamsville. I am happy to report to you today that the Adamsville Mission was organized into a church on October 25, 1959 and is rapidly taking its place among our influential and growing churches.

In September of this year, the Rivermont Mission was organized into a church. The Rivermont congregation has built a lovely building on a lot provided them by their Mother Church.

Two new, possible mission areas have been explored in recent months. They are the Jackson Heights Development South of Kinston and the Belfast Community in North Goldsboro. It was decided that no work should be started in Jackson Heights to be sponsored by our Association but wait until the New Hope Church felt able to sponsor a work there. No decision has been reached regarding the Belfast project since the Calvary Church, so close to Balfast, is not financially able just now to sponser a mission in that area.

Your Missionary and Missions Committee are working quite diligently at this time in an effort to secure a piece of property ideally located and the price is quite reasonable that will serve as a home for a strong Baptist Church in South-West Kinston. The Mt. Vernon Mission, of course would move into this property if we can secure it and become the nucleus for forming a strong church.

Permit me to thank you for your support given to our Associational work this past year. All but one church gave financial support to this cause last year and I am sure that church kept us on their prayer list.

Now let me make one request. Pleast see that some person from your church is present to represent your church at the Executive Committee meetings the first Monday in each month. Then inquire of that person as to what is being done in these meetings. Keep yourself and your church informed as to what your Association is doing. Then see that a check is mailed each month to the Association Treasurer from your church to assure the money needed to carry on this work.

28. Under Miscellaneous Business:

a. The Moderator, Appointed a Committee composed of Dr. W. C. Reed, Chairman, The Rev. Gilmer Cross, The Rev. Paul Pridgen and the Rev. Roy Beals to bring in a report on necessary changes of the Constitution of the Neuse Baptist Association to make it more workable.

b. It was suggested that the Committee consider the advisability of moving the date of the annual Session to September. This was referred to the Committee on Proposed changes of the Constitution.

c. The suggestion of the Association needed a Public Relation's Committee to insure that a good and adequate coverage on the Annual Meeting be given to the normal News Outlets in the Baptist Papers and the Newspapers. This was referred to the Committee on Proposed Changes of the Constitution.

29. The Memorial Service for the HomeGoers of the Neuse Baptist Association was led by Mrs. B. W. Spilman. After a reading of the list of our Beloved Dead by the Clerk The Rev. H. Arthur Dechent, prayer of Thanksgiving to God was offered by The Rev. Paul Pridgen. A list of the Beloved Dead from each of the Churches is printed in back of the minutes.

30. The afternoon message was brought by the President of Campbell College of Buie's Creek, Dr. L. H. Campbell who spoke on the topic, "Making Religion Real in the Life of the College Student". Dr. Campbell told the Association of the plans to expand Campbell College into a Senior College just as soon as possible. The permission granted the Trustees of the Institution by the Baptist State Convention was indeed a trust which they hoped to make a reality in the very near future. The goal of $2,200,000 would assure this challenge, and he encouraged the Baptists to help the Trustees and College Officials to make possible a four year College of Campbell so that the many Students of North Carolina might have the chance of a four year college education.

31. The Moderator adjourned the meeting by prayer to meet next year.

(1) This Body shall be known as "The Neuse Baptist Association."

(a) Membership in this body shall consist of all Missionary Baptist pastors and ordained ministers in the Association, and all messengers elected or appointed by their respective churches.

(b) Each church with a membership of not more than 100 shall be entitled to five messengers. Churches having more than 100 shall be entitled to an additional messenger for every additional 100 members or a major fraction thereof, provided that no church shall have more than 12 messengers.

(2) It shall be the purpose of this Association to "Spread the Gospel," at home, "And unto the uttermost part of the Earth" (Acts 1:8), in conformity to The Holy Scriptures, and in cooperation with the agencies and institutions of The Baptist State, the Southern Baptist Conventions.

(3) Officers of this Association shall be Moderator, Vice-Moderator, Clerk, Treasurer (or Clerk-Treasurer), Training Union Director, Men's Brotherhood Director, Christian Education Representative, Hospital Representative, Home for Aging Representative, Orphanage Representative, Youth Dirctor, Civic Righteousness Leader, Biblical Recorder Representative, Superintendent of Sunday Schools, Superintendent of W. M. U., Chairman of Committee on Evangelism, Chairman of Builder's Club, and Chairman of Committee on Associational Missions.

(a) The Neuse Baptist Association shall elect at least three members to serve as Trustees. Their term of office shall be for three years with one-third of the number elected each year. Vacancies may be filled by executive committee at any time with the one elected filling out the unexpired term of the one whose vacancy is being filled. Having served as a Trustee a previous term will not disqualify a member for re-election.

The Trustees shall, as provided by law and the action of the association hold in trust the title to all property of the association and shall represent the association in all matters of legal responsibility regarding the purchase, improvement and disposal of associational property. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the association or executive committee authorizing such action.

(b) That a Sunday be called "Associational Day" in our churches and that we ask the churches to take a love offering for the associational work. The funds shall be used to help purchase church building lots; or provide facilities in which to begin the work, such as rentals, etc., or for use of providing a home for the Associational Missionary. Trustees of the Association shall hold such property. Each church would be allowed to designate their gifts. Therefore you could give to the fund for lots, or the fund for an associational missionary's home.

The Executive Committee shall set the date for the offering.

NOTE: The date for the above offering, was established by the Executive Committee as the 4th Sunday in January annually, or the nearest convenient date.

(c) There shall be be an ORDINATION COMMITTEE composed of five members. It shall serve in an advisory capacity only. This committee shall assist such churches as call for their aid in examining such candidates for the ministry as are brought before them, as to their call and fitness for the Gospel Ministry, and make recommendations as they feel led, to the church of which he is a member, concerning his ordination. If there is need they may help plan and arrange for the proper service of ordination. The Committee shall be named by the Executive Committee of the Association, and be responsible to such Committee.

(4) The Moderator shall preside and conduct the proceedings of the Association in accordance with the Constitution and maintain order and decorum as set forth in Kerfoot's Parliamentary Law. Moderator, and Vice-Moderator shall not succeed themselves in office more than two successive years.

(5) In the absence of the Moderator, the Vice-Moderator shall preside over the associational meetings, and discharge the duties of the Moderator.

(6) The Treasurer, or Clerk-Treasurer, shall receive all funds sent to the Association by churches, and all funds collected during the session. He shall pay out the same as designated by donor, or as ordered by the Association, and shall make a report each year.

(7) The Clerk, or Clerk-Treasurer, shall record the proceedings, and publish and distribute the Annual Minutes. He shall supply the churches with blank letters for their annual reports to the Association. He shall receive from the Minute Funds $50.00 for his services, and $10.00 for contingent expenses.

(8) The Program Committee shall be composed of the Moderator, Vice-Moderator, Clerk-Treasurer, Representative of the W. M. U., Associational Missionary, and the host pastor, or pastors.

(9) The Executive Committee shall consist of all officers of the Association, all active pastors, one member from each church with a membership of 500 or less, and two members from each church having over 500 members. Each church will nominate her own member, or members, to the Executive Committee, and the Association shall ratify those nominated at the Annual Meeting. The Executive Committee shall also ratify any nominee for vacancies which occur and are filled, between the Annual Meetings.

(a) The Executive Committee shall meet as early as possible after the Annual Meeting, and organize with proper officers and committees to best carry on the work of the Association.

(b) Duties of the Executive Committee shall be to conduct the business of the Association between its annual sessions; to cooperate with the general work fostered by the Baptist State, and Southern Baptist Conventions; to make personal investigations of all churches applying for aid from our Baptist State Mission Board, and to help any church, or group of churches, in arranging a proper financial budget; to call any special meeting deemed necessary to advance the work of the Kingdom, and to promote harmony doctrinal correctness, cooperation, and the general welfare of the churches composing the Association.

(c) Members of the Executive Committee shall be elected annually, and shall assume their duties at the close of the session at which they are elected, and shall serve throughout the ensuing year, closing with the adjournment of the regular session.

(d) Fifteen members of the Executive Committee shall constitute a quorum.

(10) Churches contemplating making debts for lots, buildings, or improvements, must first seek the approval of the Executive Committee if they expect to apply for aid from the Baptist State Mission, in paying for same.

(11) Each church Clerk is requested to provide the Associational Clerk with the annual church letter (Report) from his church as promptly as possible after the last Sunday in September.

(12) New churches, desiring to be received into the fellowship of the Association should subscribe to the Baptist principles and policies set forth in a suggested application form which may be secured from the Moderator of the Association.

(13) The Association shall have a two-day annual session, falling on Wednesday and Thursday after the First Sunday in November.

(14) This Constitution may be amended at any Annual Meeting of the Association provided the amendment has been presented in writing at the time of presentation, not later than the October meeting of the Executive Committee Meeting, and read on successive days of the same Annual Session, and receives a two-thirds majority vote of the messengers present when the vote is taken.

(15) The Association will elect a Budget-Finance Committee. This Committee will include at least one member from each of the counties of Lenoir, Greene and Wayne, the moderator, the treasurer of the Association. The duties of the committee are as follows: (1) to plan and supervise the making and the raising of the budget; (2) to direct the financial program of the Association as directed by the Executive Committee of the Association.

(16) The Association recognizes that the sponsorship of a mission by a local church is the most desirable procedure to follow and shall encourage this method of establishing mission work within the Association wherever possible.

The Association shall be considered the sponsor of a mission when the mission is established and carried forward under the direction of the Association Missions Committee and when finances for the mission are underwritten by the Association.

When a mission is sponsored by the Association it shall be the responsibility of the Association Missions Committee to find an appropriate church in which members of the mission may hold their church membership. This membership shall be a "watchcare" membership which means that persons so received will not be counted by the church in its own membership roll, nor will the baptisms for the mission be counted for the church receiving into watchcare membership. Watchcare members will not be voting members of the church that has received them.

Records and reports of the mission shall be spread upon the minutes of the Association under the digest of church letters as a mission of the Association and not as a mission of the church where "watchcare" membership is held.

4. The Report of the Executive Committee was read by the Chairman, Rev. E. B. Booker, and approved as read.

Report of the Executive Committee Neuse Association 1960

The Executive Committee elected officers for the year on January 4, 1960. Rev. Ralph Jones Jr. wished to be relieved of the responsibility of chairman. Rev. E. B. Booker was elected to succeed him. Mr. Davis was elected Vice Chairman, and Mrs. F. T. Jones, of Goldsboro was elected as secretary.

The Executive Committee had a called meeting December 14, 1959 to discuss the purchase of the Wooten property in West Kinston for the Neuse Baptist Mission. Plans were worked out to purchase the property.

January 4, 1960 the Committee met and received report from the departments of the work of the Association. All was moving along well.

Plans were for a School of Missions in the churches in March 1961.

There was favorable report from the churches as to payments for the Wooten property in West Kinston to be used for services by Neuse Baptist Mission.

Plans were made for a conference led by Dr. Earl Bradley on the "Forward Program" of church finance to be held at First Church, Goldsboro March 21-22, 1960.

The February meeting was held January 25, 1960 and the following business transacted. Plans for an Evangelistic Crusade was discussed for our Association for March 29 through April 12, 1964. After due discussion these plans were adopted.

March meeting of the Executive Committee was held March 1, 1960. The Missions Committee reported a request from Calvary Church of Goldsboro for a request from the State Mission Board for a gift of $4,000.00 for the purchase of a new lot on which to build. The lot cost $6,500.00, the church paying the balance. This action was passed by the Committee.

April meeting of the Committee; After the usual reports, Brother Starling reported to us that Dr. Lewis Martin of the Home Mission Board, could meet with us October 11th to discuss, and complete plans for the School of Missions to be held in March 1961. This date was accepted by the Committee.

In the May meeting plans for Vacation Bible School Clinic was announced. The Finance Committee of the Association gave a proposed Budget that totaled $9.415.16 for 1961. This was adopted.

In June for the meeting of the Executive Committee we had our usual delightful meeting at Kennedy Home. Brother Smith and his co-workers there entertained us in a great way, with a barbecue supper. After which we gathered at the Baptist Church where Rev. Ross Cadle of Chowan College brought us a most interesting and informative message on Christian Education.

There was no meeting of the Executive Committee during July and August. On September 5th we met in Kinston. Rev. Ralph Jones was recognized as soon as we convened for business and resigned as Moderator of the Association. This was necessary because of his leaving our Assocation.

By request Mrs. Parrot and her son met with the Missions Committee to make an offer to the Association of a nice building lot for a new Baptist Church to be located just South of Kinston on highway 258. Since the Association desires to discontinue this type work the First Church of Kinston was asked to receive the lot to be held until such time a church was needed in this community.

By order of the Executive Committee the "Builders Club" was dissolved, having served its purpose.

It was reported that twenty churches in our Association would cooperate in the School of Missions in March 1961.

Rev. T. C. Williams reported the need of a camp for boys and girls in our Association, Brother Williams was named chairman of a committee to work out such plans for next year.

The treasurer's report indicates we were able to meet all bills of the year's work, even though sometime payments were a little delayed.

In our meeting of November 7th, the approval of several applications for pastoral help in our churches was passed. Neuse Baptist Mission asked the privilege of discontinuing its payment of $30.00 per month to the Association treasurer, in order to make some necessary improvements of their property, especially to provide much needed room for the people attending the services. This was granted, and they plan for the extra room.

5. The Association Missions Committee Report was given by its Chairman, Rev. R. E. Whitley, and approved as read.

Report of Missions Committee

With gratitude for your co-operation and God's continued blessings we bring before you the report of your Missions Committee for the year 1960. The mission cause in the Neuse Association has continued to advance throughout the year. Our Christian opportunities are tremendous and will be limited only by our devotion to Christ's cause and our co-operative gifts; especially our special gifts given through the Churches on "Associational Day" the fourth Sunday in January. Begin to prepare now to give generously for the mission work of Chirst "First in Jerusalem."

The work in 1960 may be listed under four headings as follows:

1. The purchase of the Wooten property in West Kinston. In last year's report this work was listed as the Mt. Vernon Mission but has since changed it's name to the Neuse Baptist Chapel. At the time of our last report a committee had been appointed to purchase option on a house and lot for this work, located on Highway 70 West. (outside Kinston) This very suitable property has since been purchased with the help of a $7,000.00 loan from the American Bank in Goldsboro (with the Churches of the Neuse Asociation responsible for payment), and the Neuse Baptist Chapel is prospering under the leadership of Rev. Barry Lovett. For the past month there have been more persons present than there has been chairs to seat them. Plans for continued development of this property will be announced later.

The offer of property on Highway 258 South from Kinston subdivision by Mrs. Parrott for use in a new Baptist Work. The Missions Committee discussed with Mrs. Parrott and her son their offer of a lot of our choice in the subdivision and an option of an adjoining lot at reduced cost. It was thought most advisable to request Mrs. Parrott to permit the First Baptist Church Kinston to hold a deed of trust for three years on this property, if this is agreeable with the First Baptist Church. If, after the end of three years, God has not led in the beginning of a work there, the First Baptist Church would release the deed of trust back into the possession of Mrs. Parrott. This has not yet been accomplished, but further work will be done by your committee.

3. Work in undeveloped areas of Northern Goldsboro: Requests were received last year from both Calvary Baptist Church and Bryan

Street Baptist Church for State Mission aid in the purchase of new lots for the purpose of enlarging the work in this area of Goldsboro. In view of the great need of this area and the large amount of money required Dr. Spivey, Director of our State Division of Missions, made a personal visit with some of the members of our Missions Committee to look over the prospects. He suggested that Mr. Upchurch of the Church Development Department be requested to come into the city and make a complete survey of the needs of this area. This has been done, but complete results are not available. Further action on this area awaits the complete report of his department.

4. Receiving, examining and making recommendations concerning new applications from Churches within the Association which have needed State Missions aid on their pastor's salary. We ought to be grateful to the Baptist of North Carolina for the great amount of State Mission aid we receive each year to supplement the salaries of our pastors of smaller churches. We pray for the day when, instead of receiving this aid, we will be strong enough to be sending aid to other Churches in need.

We once more express our love for missionary, Mr. Starling, and his fine wife. We are grateful for their devotion to the work of Christ in our Association. Pray for them as they give themselves up to the cause of Christ in the Neuse Association. We thank God for them.

Thank you for the privilege of serving you as your Missions Committee during the past year.

Respectfully submitted,

NEUSE BAPTIST ASSOCIATION MISSIONS COMMITTEE

R. E. Whitley, Chairman, H. G. Dawkins, Gilmer Cross, Roy Beals. C. M. Crumpler, Arthur Dechent.

6. The Treasurer's Report was deferred until the second session by the approval of the Association. The Evangelism Report by its Chairman, Rev. Howard Dawkins was given by request of the Moderator and approved.

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of Evangelism in this Atomic Age. Southern Baptist have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share with those who are not Christians. In Billy Graham's Message before the Southern Baptist Convention in Miami he said, "America is the world's greatest mission field." If this is true, and no doubt it is, and if Southern Baptist are the leading Evangelical denomination in America, we must match this hour with total dedication to Evangelism.

In the Neuse last year our Baptisms report the Churches baptized 427 about a 20 per cent decrease over last year's 500 in 1959.

It recommended the Church redicate themselves to greater effort in Evangelism through Personal Evangelism, in the Church Revivals and the Pastor's use of the Revival Plan Book.

After the Sermon the Morning Session was dismissed and the group adjourned to the American Legion Hall where a delicious Dinner was served by the Host Church, Snow Hill.

Wednesday Afternoon Sesion

10. The Afternoon Session was called to order by the Moderator, Mr. Joseph Stevens, at 1:30 P. M. The Hymn "Take Time To Be Holy" led by Rev. C. M. Crumpler, the Devotional Message was brought by Rev. C. H. Trueblood who read selections in the following books: Micah 6:8, Zachariah 4:6, John 16:13, Luke 24:52-53 and Luke 4:16-18. After speaking to the Spirit of the Lord and the People's Needs the session was led in prayer.

11. Builder's Club Report:

The Report was approved as read.

During the past year the Baptist Builder's Club has not received or paid out any money. We have a balance of $10.05 in the Treasury deposited in the Branch Banking and Trust Co.

Having talked with some of the members of our Association, I find that the consensus of opinion is that the Builder's Club has served its purpose and should be dissolved. I move that the Builder's Club be dissolved and all money, postage stamps, cards and other materials be turned over to our Associational Treasurer.

12. The Home For Aging Report was made by The Rev. E. B Booker and approved as read. Dr. W. K. McGee gave a summary of the hopes of new construction of the Rest Home at Hamilton, N. C.

13. The Hospital Report was given by Dr. W. K. McGee who was introduced by Mr. W. A. Murray. Each church was thanked for their contribution to the Hospital through the Mother's Day Offering. It was stressed that a larger offering was needed if the Hospital were to keep up its help for those who could not afford it but who never-the-less had to have it at Baptist Hospital.

The Report was received as read.

14. A very challenging report was brought by The Rev. Tom Green of Ministerial Retirement on the needs of the Churches to place a Retirement Program in their budgets for their ministers. At present 40% of the 31 Churches have this program.

15. The Children's Home Report was brought by Mr. W. A. Smith of Kennedy Home. North Carolina Baptist have a Children's Home that is second to none, but the demands on the Home to care for new applicants is increasing more each day. If the Baptist of North Carolina will give a 40% increase in their Thanksgiving Offering it will help meet the needs of the Children's Home Budgetary program. The Thanksgiving Offering goal is $400,000, and this is about fifty cents a person. The report was approved as presented.

15. The Rev. John C. Gill, Assistant to the President of Chowan College brought a brief report on the progress of Chowan College during the past year.

16. After the singing of the Hymn, "Stand Up For Jesus" The Rev. Jack Bagwell brought a message on the program of State Missions for next year.

17. The meeting adjourned.

18. The Second Day of Meeting of the Neuse Baptist Association was called to order by the Moderator, Mr. Joseph Stevens, at 3:30 P. M. in the Auditorium of Emmaus Baptist Church. The Devotional period led by Rev. C. E. Ruffin after the Session Sang the Hymn "The Solid Rock".

19. The Host Pastor, The Rev. E. L. Roberts, of Emmaus Baptist Church welcomed the Associational Messengers to the newly rebuilt and repaired Church which has been badly damaged by fire in the summer.

20. The Sunday School Report was read by the General Superintendent, Rev. C. D. McCollugh and approved as read.

Womans Missionary Union Report

Womans Missionary Union is the Missionary Organization of the church. Its purpose is to promote Christian Missions through a program of Mission Study, Prayer, Community Missions and Stewardship.

Through the years Womans Missionary Society - the women's group - has assumed the responsibility of organizing and fostering youth organizations in the church, carrying out the same program of education in missions, on the age level of each group.

We list the following as activities of the Associational group during the year 1959 and 1960: Representatives at State Convention, WMU Annual Meeting, Regional Leadership Conference, YWA Houseparty, Queens Court, Special Training Institutes for Sunbeam Leaders.

A large group of Junior Girl's Auxiliary members attended the Regional camp at Caswell.

The WMU Executive Committee meets quarterly to review the work of the past quarter and make definite plans for the new quarter.

An annual Leadership conference is held. Seventeen churches were represented at the conference held on October 31.

Emphasis has been placed upon Leadership training and several received leadership cards of accreditation.

An outstanding event of the year was the Study Course on Home Missions taught by the Author, Dr. J. T. Gillespie. More than four hundred attended.

Report of Resolutions Committee

Neuse Association, 1960

WHEREAS, we realize our responsibility as individual Christians and also as members of the Baptist churches in the Neuse Association, and WHEREAS, we realize the importance of dedicated living and witnessing in our world of need BE IT RESOLVED,

1. That the churches of the Neuse Baptist Association participate actively in the full denominational program, recognizing the year 1960-1961 as the year for Stewardship and Enlistment in the Baptist Jubilee Advance Program, and committing ourselves to the fulfilling of its purposes.

2. That the Association participate wholeheartedly in the School of Missions in March, 1961, seeking full attendance within the participating churches and urging non-participating churches to share this opportunity by visiting churches where the School of Missions is in progress.

3. That we thank the editor of the Biblical Recorder, Marse Grant, for his efforts in bringing to the Baptist of North Carolina information that was helpful and vital during the recent election. That we express him our sincere appreciation for the efforts of the whole Recorder Staff for the high quality of religious news reporting.

That we urge every church to pray for the editor and his staff and that we try to have each church adopt The Every Member Plan so that each family in the Neuse Association may have the benefits of this excellent and informative religious news service.

4. That we express our appreciation to the Pastors and Membership of the First Baptist Church of Snow Hill and Emmaus Baptist Church for the hospitality we have enjoyed the two days of this Annual Meeting.

Neuse Baptist Associational Missionaries Report

This year, I am happy to report to you that we have 31 churches and five missions and that we had a Vacation Bible School in the 31 churches and three of our five missions.

You may remember that one year ago, the Mount Vernon Park Mision in West Kinston faced grave uncertainties because it had no permanent meeting place. Last February we, the Neuse Baptist Association, purchased a piece of property and moved into the building. The name was then changed to The Neuse Baptist Chapel. That mission is sponsored by this association and is under the leadership of Rev. Barry Lovett, a third year student in Southeastern Seminary.

You will also remember that each church was asked to contribute .25c per resident church member each year for the next four years to help pay for this property. This money will be received at the regular January Offering taken for new work in our association.

About a year ago it was discovered that a mission was needed in Belfast just north of Goldsboro. The Madison Avenue Church in Goldsboro looked into the needs and opportunities for meeting those needs and secured the privilege of using the Belfast School building. Last June a mission was begun there; today that work is a growing encouraging work sponsored by the Madison Avenue Church and is under the leadership of Rev. Carlile Franks.

You are requested to pray for and to support with your gifts our associational work that we may be able to enter other new fields of service as the need for such arises.

As we look ahead, we have especially two great blessings coming to us. On January 9-13, 1961 we will have a State Sunday School Clinic conducted in the First Baptist Church in Kinston. Several competent Sunday School Leaders will come from our Baptist Sunday School Board, in Nashville, Tenn. and help our own State Sunday School Department in Raleigh staff this clinic. There will be morning and night sessions with classes offered in every field of Sunday School work. Our people cannot afford to miss this unusual opportunity for training in Sunday School work.

Then too, next March 12-17 there are 20 of our churches which will be engaged in Schools of Missions. These churches will have a different missionary speaker in their church each night and giving fresh, new information of their work in their area.

These are going to be glorious days and we will be much stronger and more informed leaders in our churches if we make the most of these opportunities.

28. The Report of Christian Education Council, by Rev. Elwood Orr was passed in his absence.
